Taking Specific Objects the seminal text written by Judd in the mid sixties as the central theme the author analyzes the artist's main concepts and his whole career from a new perspective what one seeks is an object that speaks of the world in which it is moving or of the world from which it is moving away One searches for a boundary work a frontier that says simultaneously where it is coming from and where it is going a work in which interests overlap A work that will function as a mark or a crossroads locating this work is the first exercise **The Complexities of John Hejduk's Work** J. Kevin Story,2020-06-09
