Skald of the Vikings Louise E. Schaff,1966 **THE SAGA OF CORMAC THE SKALD - A Norse & Viking Saga** Anon E. Mouse,2019-02-06 This is the story saga of a poet poor and proud with all the strength of a Viking and all the weakness of genius He loves a fine lady a spoiled child who bewitches him and jilts him and jilts him again In true Viking style he fights for her kills for her writes verse for her and rises for her sake to the height of all that a man in his age could achieve Then after years he has her at his feet and learns of her heartlessness and worthlessness He bids her farewell but in the end dies with her name on his lips The motive of the book is very modern yet at the same time as ancient as the human race itself It is dramatic and imaginative in the sense that it is told by one who was an artist in his craft of saga telling The diction is of the simplest and there is no fine writing but the plot is balanced like a Greek play and the action drives along to its close The result is conveyed without a word of moralizing The characters are broadly drawn and their types are still valid today Without needless detail there are touches enough of realism It reads like a novel and yet it is a true story 10% of the net profit from the sale of this book will be donated to Charities Keywords Tags ashore Asmund battle beauty Bersi blood brother Saga of Cormac the Skald country Dalla day dead farm father fell field fight firth forth fought glory goddess gold good great Halldor Harald healed Helga Holmgang horse house Hrutafjord Iceland king lady little Mel Midfjord mother mountains Narfi Norway ocean Odin Ogmund point riding ring sacrifice Saga Saurb shame ship shore Skald Skeggi Skofnung slaughter son song Steinar Steingerd Steinvor summer sword Thambardal Thorarin Thord Thordis Thorgil Thorkel Thorvald Thorvard Thorveig Tinker Tongue Tunga Vali valley voyage weapon weapons wedding Whitting woman wounded **THE LIFE AND DEATH OF CORMAK THE SKALD - A Viking Saga** Unknown,2010-03 This is the story of a poet poor and proud with all the strength of a Viking and all the weakness of genius He loves a fine lady a spoiled child who bewitches him and jilts him and jilts him again In true Viking style he fights for her kills for her writes verse for her and rises for her sake to the height of all that a man in his age could achieve Then after years he has her at his feet and learns of her heartlessness and worthlessness He bids her farewell but in the end dies with her name on his lips The motive of the book is very modern yet at the same time as ancient as the human race itself It is dramatic and imaginative in the sense that it is told by one who was an artist in his craft of saga telling The diction is of the simplest and there is no fine writing but the plot is balanced like a Greek play and the action drives along to its close The result is conveyed without a word of moralizing The characters are broadly drawn and their types are still valid today Without needless detail there are touches enough of realism It reads like a novel and yet it is a true story 33% of the net profit will be donated to charities for educational purposes *The Vikings* Paul B. Dahn,2018-09-14 The SAGA OF HALFRED THE SIGSKALD is tale of the Tenth Century A Long time ago there was growing up in the North a boy named Halfred In Iceland on the Hamund Fjord stood the splendid hall of his father Hamund At that time elves and goblins still moved about freely among the Northern nations And many say that an elf who had been friendly to the powerful Hamund drew near to the cradle of the boy Halfred and laid wild honey upon his lips and said Victory shall be thine in harping Victory shall be thine in singing Sigskald shall all nations name thee But it is believed that this is a mere idle tale of the heathen people Halfred grew and was strong and beautiful He often sat alone on the cliffs and listened how the wind played in rifts in the crags and he would fain have tuned his harp to the same strain and because he could not do it he was filled with frustration When his father died Halfred took the seat of honour in the hall But he took no heed to preserve or improve his inheritance He gave himself up to harp playing and feats of arms He devised a new strain in singing Halfred s strain which greatly charmed all who heard it And in hatchet throwing not one of the men of Iceland could equal him He could dash his hammer through three shields and he would not miss with an arrow His mind was now set upon building a dragon ship strong and splendid worthy of a Viking wherein he might go a Viking or to play his harp in the halls of kings And through many a night he considered how he should build his ship but could devise a plan Yet the image of the ship was always before his eyes with prow and stem with board and bow and instead of a dragon it must carry a silver swan on the prow One morning he came out of the hall and looked out over the Fjord towards the north there from the south south east came floating into Hamund s Bay a mighty ship with swelling sails Then Halfred and his house churls seized their weapons and hurried to their ships Ever nearer the ship came but neither helmet nor spear flashed on board and though they shouted through the trumpet all was still Halfred and his followers rowed to the great ship and saw that it was empty and they climbed on board This was the most splendid dragon ship that ever spread sail on the salt seas But instead of a dragon it bore a silver swan upon the prow This was the ship that Halfred had seen in his dreams with forty oars in iron rowlocks The deck was pavilioned with shields the sails purple striped the prow carved with runes and the ropes of sea dogs skin The high arched silver wings of the swan were gloriously carved and the wind rushed through them with a melodious sound Halfred

sprang up to the seat of honour on the upper deck upon which lay spread a purple royal mantle A silver harp with a swan s head leaned against it and he said Singing Swan shalt thou be called my ship Singing and victorious shalt thou sail And so begins the Saga of Halfred the Sigskald 10% of the net sale will be donated to charities by the publisher The Spirit of the Vikings Anonymous, Conrad Hjalmar Nordby, Snorri Sturluson, Saemund Sigfusson, Sturla Þórðarson, Hélène Adeline Guerber, Nora Kershaw, 2023-12-03 The Spirit of the Vikings offers readers a comprehensive passage through the myths sagas and histories that encapsulate Viking ethos and ingenuity This anthology spans a spectrum of literary styles from cryptic eddic poetry to compelling sagas filled with legendary exploits capturing the essence of one of history s most enigmatic cultures Under the discerning editorial overview this collection features illustrious narratives alongside lesser known treasures inviting a re examination of the Viking age s impact on literature and culture Within its pages readers are privy to a literary voyage traversing themes of heroism exploration and the navigating of fate Contributors to this volume including medieval scholars such as Snorri Sturluson and Saemund Sigfusson alongside modern interpreters like H l ne Adeline Guerber and Nora Kershaw collectively breathe life into the rich tapestry of Norse literature This confluence of voices reflects the historical and cultural dynamism of the Norse people presenting the collection as a crucible where ancient poetics meets modern interpretation By aligning with medieval Icelandic traditions and subsequent scholarly revivals these authors enrich the thematic exploration providing both primary literary engagement and informed commentary for a deeper understanding of Viking spirit For scholars students and enthusiasts alike The Spirit of the Vikings serves as an indispensable resource offering a multifaceted exploration of Norse cultural legacy It is an invitation to journey through time appreciating the intricate dance between narrative and history This collection fosters a rich dialogue across temporal and stylistic divides providing readers with invaluable insights into the Viking psyche and the profound narratives that continue to shape literature Engage with this anthology to broaden your appreciation of literary traditions and to witness the craft that echoes across ages **The Secret Yoga of the Vikings** Steven A. Key, 2019-09-13 With their secretive poetic lore and even more mysterious pantheon of gods led by Odin the All Father Thor the great Hammer Striker Loki the Evil One and Heimdall the Cosmic Horn Blower it is almost impossible not to love the Vikings But there are even more fans of the multi faceted yoga systems devised by the ancient Hindustani in India more than five thousand years ago Steven A Key makes the case that transcendental yoga has not only endured over the millennia but that it has traveled in different forms of spiritual or religious expression in The Secret Yoga of the Vikings Drawing on the writings of Joseph Campbell the famous mythologist who hinted at a link between the cultures of the Eastern Hindus and the Northern Vikings as well as other great thinkers the author shows that yoga has influenced Buddhism Christianity and yes even the tenth century Vikings Discover how a spiritual cult of anonymous Odin warriors who died long ago was likely responsible for the writing of the Poetic Edda itself as well as the role transcendental yoga played in the life of the Vikings Chronicles of the Vikings Raymond Ian Page, 1995-01-01 Chronicles

of the Vikings defines the social values of the Viking Age their heroic view of life which sometimes contrasts with their more prosaic way of looking at things

Mouse, 2018-09-24 A GREAT READ FOR YOUNG VIKINGS In ancient Iceland every midsummer there was a great meeting Men from all over the country came and made laws During the day there were rest times when no business was going on Then some skald would take his harp and walk to a large stone or a knoll and stand on it and begin a song of some brave deed of an old Norse hero At the first sound of the harp and the voice men would come running from all directions crying out A skald A skald A saga There

they would stand for hours listening and shouting applause When the skald was tired another would take his place The best skalds were well travelled and visited many people Their songs made them welcome everywhere They were always honoured with good seats at a feast and were given many rich gifts Even the King of Norway was known to sometimes send across the water to Iceland for a skald to attend his court Initially these tales or sagas were not written for few men wrote or read in those days When at last people began to read and write they first recorded the sagas on sheepskin or vellum Many of these old vellum books have been saved for hundreds of years and are now in museums in Norway and Iceland Some pages have been lost some are torn and all are yellow and crumpled But they are precious They tell us all that we know about that olden time There are the very words that the men of Iceland wrote so long ago stories of kings and of battles and of ship sailing Some of the most significant old stories are now told in this book 10% of the publisher s profit from the sale of this book will be donated to UNICEF KEYWORDS TAGS Viking Tales Jennie Hall men Thing battle beautiful boat died door Eric father feast fight fire gold great Greenland Gudrid guests hall Harald head house Iceland Ingolf king King Harald land Leif Ericson Leif Ericsson man night Norsemen Norway Odin Olaf one One people red sail sea ship shore shouted strange sword Thor Thorfinn thralls three together Valhalla vow Vinland America USA Canada water white wife Wineland women woods Newfoundland scald saga **The Vikings of the Baltic** Sir George Webbe Dasent,1875
