A Skeleton in the Closet Emma Dorothy Eliza Nevitte Southworth, 1893 **A Skeleton in God's Closet** Paul L. Maier, 2012-04-30 When an ancient skeleton is discovered in Israel will it shed new light on the life of Jesus or plunge the world into chaos Dr Jonathan Weber Harvard professor and biblical scholar is looking forward to his sabbatical year on an archaeological dig in Israel But a spectacular find that seems to be an archaeologist's dream come true becomes a nightmare that many fear will be the death rattle of Christianity Carefully researched and compellingly written *A Skeleton in God's Closet* explores the tension between faith and doubt when science and religion collide In the end it's a thought provoking page turner driven by one man's determination to find the truth no matter the cost *Spies on the Sidelines* Kevin Bryant, 2022-07-13 The first book to fully explore the extraordinary covert actions NFL teams are willing to take in order to win *Spies* disguised as priests Secret surveillance of targets movements Radio frequency jamming Tapped telephones These might sound like acts of espionage right out of the Cold War or a spy movie but in fact came straight from the National Football League In *Spies on the Sidelines* The High Stakes World of NFL Espionage Kevin Bryant provides the first in depth investigation of spying in professional football as well as the countermeasures utilized to defend against these threats Spanning across all teams and eras Bryant shines a light on the shady world of NFL reconnaissance from clandestine photography and hidden draft prospects to listening devices and stolen documents along with the permissible if sometimes questionable spy techniques teams utilize day in and day out to gain an advantage over their opponents Written by a former Special Agent with decades of experience collecting and safeguarding information for the Department of Defense *Spies on the Sidelines* reveals that behind the game day action professional football can be as cloak and dagger as American intelligence agencies This fascinating and expansive compilation of NFL spy anecdotes exposes the extraordinary measures teams are willing to take in order to win *A Skeleton in God Closet* Paul L. Maier, 1995-12-19 From the author of *Pontius Pilate* comes a fascinating novel of archaeological adventure The evidence seems incontestable bones unearthed in an Israeli tomb are those of Jesus of Nazareth But which is the hoax the archaeological find or the Resurrection itself **The Gospel according to Moses** Athol Dickson, 2003-05-01 Years ago I exposed myself to the possibility that Judaism might have great truths to offer and Chever Torah Jewish Bible study rewarded my open mind with radical improvements in the way I live and view my Christian faith from the Introduction After he spent five years attending Chever Torah Athol Dickson found his faith radically changed the result being a deeper relationship with God In beautiful and simple language *The Gospel according to Moses* illustrates Dickson's journey of faith exploring some of the primary theological differences and similarities between Christianity and Judaism He draws generously on both Old and New Testament scriptures looking at Christian and Jewish perspectives on topics such as suffering grace vs works and the place of Jesus in the Hebrew Scriptures **Seymour Hersh** Robert Miraldi, 2013-10-01 Seymour Hersh has been the most important famous and controversial journalist in the United

States for the last forty years From his expos of the My Lai massacre in 1969 to his revelations about torture at Abu Ghraib prison in 2004 Hersh has consistently captured the public imagination spurred policymakers to reform and drawn the ire of presidents From the streets of Chicago to the newsrooms of the most powerful newspapers and magazines in the United States Seymour Hersh tells the story of this Pulitzer Prize winning journalist and author Robert Miraldi scrutinizes the scandals and national figures that have drawn Hersh's attention from My Lai to Watergate from John F Kennedy to Henry Kissinger This first ever biography captures a stunningly successful career of important exposés and outstanding accomplishments from a man whose unpredictable and quirky personality has turned him into an icon of American life and the unrivaled scoop artist of American journalism Both Sides of the Street Mary Spring Walker,1870 *The Newcomes* William Makepeace Thackeray,1919 **Mom's Losing Her Memory I'm Losing My Mind!** Kathy Jean Stewart RN BSN,2013-04 The subject of physical and mental deterioration and its consequences on people and their loved ones is one that most of us prefer to avoid even those of us who provide medical care to the elderly Yet this is often part of the human experience Information written on the subject is usually dry and didactic Kathy Stewart has granted the reader access to her world the assisted living community where extraordinary needs are met by extraordinary people Through interesting illustrative and poignant vignettes a realistic often intense and yet hopeful experience is accorded the reader This book crafted professionally and compassionately is a gem that should be read not only by relatives of people suffering progressive memory loss but by all of us since many of us will eventually be touched by this situation in our lifetimes Mark H Greenberg MD FACR Rheumatologist Author of Doctor Why Do I Hurt So Much Few events impact an entire family more than the onset of dementia in a parent spouse sibling or close friend Drawing upon her own personal and professional experiences Kathy Stewart has developed a practical guide for caregivers The book is easy to read yet it provides a wealth of useful information which is accessible to all It should provide knowledge and comfort for anyone caring for an individual with dementia George A Kuchel MD FRCPC Professor Citicorp Chair in Geriatrics Gerontology Director UConn Center on Aging University of Connecticut Health Center Kathy Stewart has provided an outstanding informative and useful guide This book is required reading for all adult children and caregivers who seek to provide the best possible care for Mom and Dad I wish I had this book when my own mother developed stroke related dementia and needed extensive specialized care Elly Trepman MD Professional Associate Department of Medical Microbiology University of Manitoba www.manuscriptsurgeon.com The 10 Stupidest Mistakes Men Make When Facing Divorce Joseph Cordell,2010-12-07 The Knowledge Every Man Needs for a Successful Divorce Each year 500 000 men will face divorce and most of them make at least one crucial and often irreversible mistake These errors might seem minor such as moving out while things get sorted out or thinking of temporary orders as being truly temporary But when they get to court these men discover they have put themselves in a terrible position They may have to give up their house pay impossibly high alimony or even lose custody You could be one of these
