Skeletons Knee:

The Skeleton's Knee Archer Mayor, 1994 Abraham Fuller died of a gunshot wound What was unusual was that the bullet took some twenty years to do its job A hermit who lived in the green hills outside Brattleboro Fuller kept his bullet wound to himself When the old damage finally causes a fatal aneurysm Joe Gunther decides it s time to find out more about Abraham Fuller and whoever wanted him dead Gunther s crew combs Fuller s cabin and garden making a disturbing discovery Deep in the rocky Vermont soil is an artificial stainless steel knee joint and the rest of a very real human skeleton Worse yet medical analysis proves that the body is a certified murder victim slain by a single bullet What if anything does this have to do with Fuller s murder Gunther isn t sure Then a sniper s machine gun nearly destroys the hearse bringing the skeleton to the morgue and Gunther s word is cut out for him find the manufacturer of the steel knee and then the surgeon who implanted it For the first time Gunther s work takes him outside his home state to Chicago where the big city cops think their Vermont counterparts do little more than shovel snow and where too many of the people he meets are desperate to hide their pasts

 as how the ensuing debt of the war forced Congress to renew the charter Details Andrew Jackson s anti bank presidential
 campaigns his war on Rothschild agents within the government and his successful defeat of the Central Bank Reveals how

the Rothschilds spurred the Civil War and were behind the assassination of Lincoln In this startling investigation into the suppressed history of America in the 1800s Xaviant Haze reveals how the powerful Rothschild banking family and the Central Banking System now known as the Federal Reserve Bank provide a continuous thread of connection between the War of 1812 the Civil War the financial crises of the 1800s and assassination attempts on Presidents Jackson and Lincoln The author reveals how the War of 1812 began after Congress failed to renew a 20 year charter for the Central Bank After the war the ensuing debt forced Congress to grant the central banking scheme another 20 year charter The author explains how this spurred General Andrew Jackson fed up with the central bank system and Nathan Rothschild s control of Congress to enter politics and become president in 1828 Citing the financial crises engineered by the banks Jackson spent his first term weeding out Rothschild agents from the government After being re elected to a 2nd term with the slogan Jackson and No Bank he became the only president to ever pay off the national debt When the Central Bank s charter came up for renewal in 1836 he successfully rallied Congress to vote against it The author explains how after failing to regain their power politically the Rothschilds plunged the country into Civil War He shows how Lincoln created a system allowing the U S to furnish its own money without need for a Central Bank and how this led to his assassination by a Rothschild agent With Lincoln out of the picture the Rothschilds were able to wipe out his prosperous monetary system which plunged the country into high unemployment and recession and laid the foundation for the later formation of the Federal Reserve Bank a banking scheme still in place in America today Journal of the Elisha Mitchell Scientific Society Elisha Mitchell Scientific Society (Chapel Hill, N.C.),1884 Vols 20 include Proceedings of the North Carolina academy of science 1902 **Journal** Elisha Mitchell scientific society, Chapel Hill, N.C.,1884
