Slow Joe:

Joe's Alamo Lewis E. Cook, 2017-12-27 Remember the Alamo is a slogan known worldwide for courage in battle against overwhelming odds In that historic stand less than two hundred volunteers fought against five thousand soldiers for thirteen days According to Joe the only male survivor all races and religions fought and died there Lead by William Travis Jim Bowie and Davy Crockett the Alamo defenders bravely made the ultimate sacrifice while suffering ever darkening days Joe was severely wounded during the massacre but allowed to live because he spoke Spanish and could translate the terrifying words of the army general who relentlessly attacked the Alamo General Antonio Lopez de Santa Anna wanted the Alamo to become symbolic of hopelessness and certain death for anyone that opposed his reign of terror That did not happen due to efforts of Susana Dickinson and Joe a slave This novel is inclusive of all races and religions just as Joe described Its characters reflect the real personalities of Alamo defenders It includes recently discovered facts about William Travis Joe Susana Dickinson Davy Crockett and John who was pitifully listed among the dead only as a black boy **Ambush Mountain** Peter S. Anthony, Jah Anthony, 2004 After being laid off from his corporate job James Calder and his best friend pan for gold in the California mountains They meet a series of colorful characters lose everything and then stumble upon the greatest gold find of the millennium An honest man James builds an empire based on decency and fair play until murder shatters his world One by one people around him are slaughtered Ominous warnings tell him that he is next But who is the murderer And what is the motive Greed Envy Retribution A serial killer **The Dnr Trilogy** Don W. Hill M.D., 2018-10-17 J D Brewster is a bright medical student whose promising career is teetering on the edge of disaster After the head nurse on the medical surgical unit dies from complications of injuries sustained in a vicious botched carjacking attempt Brewster becomes demoralized Sadly the one person who tried to protect him from the dangerous pitfalls of the arduous clinical clerkship rotations was now gone Forced to abandon his scientific research projects through no fault of his own Brewster finds himself in a no win situation as the pervasive culture of the Gulf Coast College of Medicine and University Hospital is brutal and unforgiving toward medical students As a consequence to unrelenting and dehumanizing emotional abuse Brewster and his colleagues become not only callous and largely indifferent to human suffering but also cruel and fully capable of dispensing retribution when perceived appropriate The occult clinical justice system hidden within the bowels of the university turned out to be much more than just an unsubstantiated rumor whispered amongst the na ve medical students and members of the medical staff The system of vigilante law and order has become fully manifest and it is indeed a frightening entity to behold Brewster is now evolving into an avenger who willingly participates in what he believes to be righteously sanctioned punishment dispensed to those who violate the laws that constitute the very fabric of social order In this continuing tale a young student at the Texas Medical Center in Houston is confronted with the intertwining world of healthcare and the dark and evil forces lurking within the encroaching shadows of moral decay **Slow Joe** Max Brand, 1972-01-01 **Joe Victim** Paul Cleave, 2013-09-03

NOMINATED FOR THE 2014 EDGAR AWARD FOR BEST PAPERBACK ORIGINAL Sometimes reality can really get in the way of a good story Joe Middleton's story is this He doesn't remember killing anyone so there's no way a jury can convict him of serial murder He calls himself Joe Victim trying as he awaits trial to convince the psychiatrists that he wasn't in control of his actions trusting that the system will save him in the end But others know Joe as the infamous Christchurch Carver and they want to see him dead There's Melissa Joe's accomplice in one of the murders who plans on shooting him on his way to the courthouse before he gets a chance to start talking Then there's Raphael whose daughter was one of the Carver's victims Though he's tried to move on with life as the leader of a counseling group for grieving family members he'd like nothing more than to watch Joe pay Finally there's Carl Schroder the ex detective who locked Joe up and is determined to put things right for the case of his career To extract himself from this epic mess Joe has come up with a desperate plan involving a television psychic who's looking to get rich by making people believe just about anything It's a long shot but it had better work before he becomes the poster boy for a death penalty that may be reinstated in New Zealand which isn't quite the dramatic ending he is hoping for

Skyjack K J Howe,2018-04-10 The electrifying sequel to THE FREEDOM BROKER featuring Thea Paris a kidnap and ransom specialist For Thea kidnap is always personal her brother's life was nearly ruined when he was taken as a child Lisa Gardner says THE FREEDOM BROKER is clever and gritty and Peter James calls it spellbinding If you like David Baldacci's King and Maxwell series you will love this When Thea Paris's flight is hijacked over the Libyan Desert her first priority is the two former child soldiers she is escorting to a new life in London As an international kidnap specialist Thea Paris negotiates for hostage release as part of her job She knows one wrong move could lead to deadly consequences After she is forcibly separated from the boys and the other passengers Thea and her tactical team quickly regroup And in their desperate search for the hostages that follows unearth a conspiracy involving the CIA the Vatican and the Sicilian Mafia and a plot far more sinister than Thea could ever have imagined

Joe Biker Wesley Stout,2005-06 *The Chartreuse Mongoose* James E. Martin,2008-04 The Chartreuse Mongoose and 36 more wonderful stories from the pen of Grandpa Ed These stories were written to support innocence and excite childhood imagination and fantasies about animals birds folklore and nature Most importantly they are intended to encourage the joy of reading They explicitly avoid the present day trend of filling children's books with endless colored illustrations and one page sentences that entertain a child but fail to teach them to read It is also the author's hope that his stories will contain enough intrigue to encourage parent's to return to the time honored tradition of reading to their children especially at bedtime

Slocum 377 Jake Logan,2010-06-29 Slocum's running hot and cold One man's misfortune

is another man's gain In John Slocum's case he gets his hands on road agents' poorly hidden bags of stolen silver Making off with the loot he slips into Tombstone hoping to enjoy his winnings peacefully But that's never the case for someone like Slocum Easy on the eyes Spring Atkins can make a man feel warm inside but her heart is as cold as ice Slocum's instinct is on the mark when he learns from her sisters Summer and Autumn that Spring stole the ore-rich Silver Chalice mine from them He knows better than to get in the middle of a family dispute but when the road agents come looking for revenge he can use the seasons to his advantage if they don't leave him as dead as a winter frost
