Copperwheat, 2015-09-29 Beyond the Rainbow takes you on the spiritual journey of Dortehea an introverted preteen who lacks identity and purpose In infancy Dorteheas unprepared grandparents were called upon to raise her after the death of her parents As Dortehea grows older she escapes into her own imaginary world allowing no other significant relationships except for her dog An unexpected threat of losing her canine friend causes her structured world to shatter forcing her to seek a solution and pursue some unanswered questions The journey is launched through a lifelike dream where Dortehea experiences new trials tribulations and encounters She is taken to the imaginary Land of Indecision where evil curses and deception place the inhabitants into bondage As she meets the characters in her dream to include a raggedy man lumberjack and scaredy cat her true identity emerges A new heart wisdom and courage surface As wicked forces come against Dortehea she flees from the Land of Indecision to the Land of Promises in pursuit of a new purpose and destiny A supernatural encounter opens a door to Heaven and turns the key to Dorteheas heart Dortehea discovers the place Beyond the Rainbow where her Heavenly Father reigns His promises of hope life and purpose are revealed As she awakens from her dream another journey begins with new relationships opportunities and revelation beyond what she could ever imagine The invitation to this place is open to all If you ask it will be given to you If you seek you will find it If you knock it will be opened to you Matthew 7 7 The Mammoth Book of Superstition Roy Bainton, 2016-11-10 Rather than providing a dictionary of superstitions of which there are already numerous excellent exhaustive and in many cases academic works which list superstitions from A to Z Bainton gives us an entertaining flight over the terrain landing from time to time in more thought provoking areas He offers an overview of humanity s often illogical and irrational persistence in seeking good luck and avoiding misfortune While Steve Roud s two excellent books The Penguin Dictionary of Superstitions and his Pocket Guide and Philippa Waring s 1970 Dictionary concentrate on the British Isles Bainton casts his net much wider There are many origins which warrant the full back story such as Friday the thirteenth and the Knights Templar or the demonisation of the domestic cat resulting in cat holocausts throughout Europe led by the Popes and the Inquisition The whole is presented as a comprehensive entertaining narrative flow though it is of course a book that could be dipped into and includes a thorough bibliography Schoenberg who developed the twelve tone technique in music was a notorious triskaidekaphobe When the title of his opera Moses und Aaron resulted in a title with thirteen letters he renamed it Moses und Aron He believed he would die

in his seventy sixth year 7 6 13 and he was correct he also died on Friday the thirteenth at thirteen minutes before midnight
As Sigmund Freud wrote Superstition is in large part the expectation of trouble and a person who has harboured frequent
evil wishes against others but has been brought up to be good and has therefore repressed such wishes into the unconscious
will be especially ready to expect punishment for his unconscious wickedness in the form of trouble threatening him from
