Smart Choices:

Smart Choices John S. Hammond, Ralph L. Keeney, Howard Raiffa, 2015-07-21 Become confident in your choices Where should I live Is it time to get a new job Which job candidate should I hire What business strategy should I pursue We spend the majority of our lives making decisions both big and small Yet even though our success is largely determined by the choices that we make very few of us are equipped with useful decision making skills Because of this we often approach our choices tentatively or even fearfully and avoid giving them the time and thought required to put our best foot forward In *Smart Choices* John Hammond Ralph Keeney and Howard Raiffa experts with over 100 years of experience resolving complex decision problems offer a proven straightforward and flexible roadmap for making better and more impactful decisions and offer the tools to achieve your goals in every aspect of your life Their step by step divide and conquer approach will teach you how to Evaluate your plans Break your potential decision into its key elements Identify the key drivers that are most relevant to your goals Apply systematic thinking Use the right information to make the smartest choice *Smart Choices* doesn't tell you what to decide it tells you how As you routinely use the process you'll become more confident in your ability to make decisions at work and at home And more importantly by applying its time tested methods you'll make better decisions going forward Be proactive Don't wait until a decision is forced on you or made for you Seek out decisions that advance your long term goals values and beliefs Take charge of your life by making *Smart Choices* a lifetime habit
