And Other
Natural Wonders

A Collection of Columns from
1967-1982

Smile From Katie Hattan And Other Natural Wonders

CONTEMPORARY.

Smile From Katie Hattan And Other Natural Wonders:

A Smile from Katie Hattan Leon Hale, 2023-04-10 Natural wonders were Leon Hale's lifetime subject matter. He looked for them wherever he went and found them surprisingly often. In the lives of plain people and eccentrics in the brilliant smile of a tiny 100-year-old black lady or the hijinks of his cousin C. T. in what happened on a dirt farm in 1930 or why he found value in chiseling brick, he revealed truths and wonders we might not have noticed on our own. When published in 1982, *A Smile from Katie Hattan* was Leon Hale's first column collection after nearly thirty years of writing for *The Houston Post*. It was widely celebrated for presenting the delightful daily work of this writer at last to a wider audience. What is remarkable now, forty years later, is how fresh and interesting the 155 columns remain as we roam with the author through a Texas that remains as vivid and enjoyable as the day he wrote about it. *A Smile from Katie Hattan & Other Natural Wonders* Leon Hale, 1982. A collection of columns written by Hale for the *Houston Post* on people and places in Texas.

Folklore Kenneth L. Untiedt, 2006. Folklore is everywhere whether you are aware of it or not. A culture's traditional knowledge is used to remember the past and maintain traditions to communicate with other members within a community to learn to celebrate and to express creativity. It is what helps distinguish one culture from another. Although folklore is so much a part of our daily lives, we often lose sight of just how integral it is to everything we do. If we look for it, we can find folklore in places where we'd never think it existed. *Folklore In All of Us In All We Do* includes articles on a variety of topics. One chapter looks at how folklore and history complement one another while historical records provide facts about dates, places, and names; folklore brings those events and people to life by making them relevant to us. Several articles examine the cultural roles women fill. Other articles feature folklore of particular groups, including oil field workers, mail carriers, doctors, engineers, police officers, horse traders, and politicians. As a follow-up article to *Inside the Classroom and Out*, which focused on folklore in education, there is also an article on how teachers can use writing in the classroom as a means of keeping alive the storytelling tradition. The Texas Folklore Society has been collecting and preserving folklore since its first publication in 1912. Since then, it has published or assisted in the publication of nearly one hundred books on Texas folklore. *Publications of the Texas Folklore Society* Texas Folklore Society, 2006. *Contemporary Authors, New Revision Series* CONTEMPORARY., 1981.
