DONALD SWAINSON

Sir John A Macdonald The Man And The Politician

Hugh Segal

Sir John A Macdonald The Man And The Politician:

Sir John A. Macdonald Donald Swainson, 1989 *John A. Macdonald* Donald Swainson, 1971 A series of well illustrated and lively brief biographies that emphasize character anecdote and social history often by means of vivid extracts from contemporary sources while giving a clear summary of the main historical events and achievements Publisher *The John A. Macdonald Retrospective 2-Book Bundle* Ged Martin, 2014-10-29 This special 2 book bundle contains a number of perspectives on a man who was arguably Canada's most famous political leader a figure of legendary proportions in the history of Canada's birth and development Ged Martin's biography tells Macdonald's story Shocked by Canada's 1837 rebellions Macdonald sought to build alliances and avoid future conflicts Thanks to financial worries and an alcohol problem he almost quit politics in 1864 The challenge of building Confederation harnessed his skills and in 1867 he became the country's first prime minister He drove the Dominion's westward expansion rapidly incorporating the Prairies and British Columbia before a railway contract scandal unseated him in 1873 He conquered his drinking problem and rebuilt the Conservative Party to regain power in 1878 The centrepiece of his protectionist National Policy was the transcontinental railway but a western uprising in 1885 was followed by the controversial execution of rebel leader Louis Riel Although dominant nationally this popular hero had many flaws Macdonald at 200 presents fifteen fresh interpretations of Canada's founding prime minister published for the occasion of the bicentennial of his birth in 1815 Crisply written by recognized scholars and specialists the collection throws new light on Macdonald's formative role in shaping government promoting women's rights managing the nascent economy supervising westward expansion overseeing relations with Native peoples and dealing with Fenian terrorism A special section deals with how Macdonald has or has not been remembered by historians as well as the general public The book concludes with an afterword by prominent Macdonald biographer Richard Gwyn Macdonald emerges as a man of full dimensions an historical figure that is surprisingly relevant to our own times Includes John A Macdonald Macdonald at 200 [John A.: 1815-1867](#) Richard J. Gwyn, 2007 But it wasn't easy The wily Macdonald faced constant crises throughout these years from Louis Riel's two rebellions through to the Pacific Scandal that almost undid his government and his quest to find the spine of the nation the railroad that would link east to west Gwyn paints a superb portrait of Canada and its leaders through these formative years and also delves deep to show us Macdonald the man as he marries for the second time deals with the birth of a disabled child and the assassination of his close friend Darcy McGee and wrestles with whether Riel should hang pub desc v 2 **Nation Maker** Richard J. Gwyn, 2011 The second volume of a two volume biography of the life and political career of Canada's first prime minister Sir John A Macdonald *John A* Richard J. Gwyn, 2009-03-18 The first full scale biography of Canada's first prime minister in half a century by one of our best known and most highly regarded political writers The first volume of Richard Gwyn's definitive biography of John A Macdonald follows his life from his birth in Scotland in 1815 to his emigration with his family to Kingston Ontario to his

days as a young rising lawyer to his tragedy ridden first marriage to the birth of his political ambitions to his commitment to the all but impossible challenge of achieving Confederation to his presiding with his second wife Agnes over the first Canada Day of the new Dominion in 1867 Colourful intensely human and with a full measure of human frailties Macdonald was beyond question Canada's most important prime minister This volume describes how Macdonald developed Canada's first true national political party encompassing French and English and occupying the centre of the political spectrum To perpetuate this party Macdonald made systematic use of patronage to recruit talent and to bond supporters a system of politics that continues to this day Gwyn judges that Macdonald if operating on a small stage possessed political skills of manipulation and deception as well as an extraordinary grasp of human nature of the same calibre as the greats of his time such as Disraeli and Lincoln Confederation is the centerpiece here and Gwyn's commentary on Macdonald's pivotal role is original and provocative But his most striking analysis is that the greatest accomplishment of nineteenth century Canadians was not Confederation but rather to decide not to become Americans Macdonald saw Confederation as a means to an end its purpose being to serve as a loud and clear demonstration of the existence of a national will to survive The two threats Macdonald had to contend with were those of annexation by the United States perhaps by force perhaps by osmosis and equally that Britain just might let that annexation happen to avoid a conflict with the continent's new and unbeatable power Gwyn describes Macdonald as Canada's first anti American And in pages brimming with anecdote insight detail and originality he has created an indelible portrait of the irreplaceable man the man who made us Macdonald hadn't so much created a nation as manipulated and seduced and connived and bullied it into existence against the wishes of most of its own citizens Now that Confederation was done Macdonald would have to do it all over again having conjured up a child nation he would have to nurture it through adolescence towards adulthood How he did this is however another story He never made the least attempt to hide his vice unlike say his contemporary William Gladstone with his sallies across London to save prostitutes or Mackenzie King with his crystal ball gazing Not only was Macdonald entirely unashamed of his behaviour he often actually drew attention to it as in his famous response to a heckler who accused him of being drunk at a public meeting Yes but the people would prefer John A drunk to George Brown sober There was no hypocrisy in Macdonald's make up nor any fear from John A Macdonald

Macdonald at 200 Patrice Dutil, Roger Hall, 2014-10-10 Here are fifteen fresh interpretations of Canada's founding Prime Minister published for the occasion of the bicentennial of his birth in 1815 Well researched and crisply written by recognized scholars and specialists the collection throws new light on Macdonald's formative role in our nation

The Right Balance Hugh Segal, 2011 A provocative case for the special balance and uniquely Canadian nature of the Conservative imperative throughout our history In a manner that reflects his long time academic and practitioner's association with conservative politics and ideas in Canada Hugh Segal traces the deep historical roots of Canadian conservatism and the themes that unite its pre and post confederation reality with today's challenges and issues

The Right Balance connects the historical roots and exclusive intellectual principles of Canadian conservatism to the fundamental idea of Canada with a new and insightful perspective Provocative and timely this book puts the present Stephen Harper led Conservative Party of Canada into a dynamic historical context and gives readers fresh insights into how Canadian conservatism is different and why providing depth and texture to today's headlines The Right Balance will appeal to both adults and students who are interested in the economics ideas and DNA of our present political debates **Canada's Origins** Janet Ajzenstat,1995-11-15 Ajzenstat and Smith challenge the idea of Canada as a country whose liberal individualism unlike that of the United States is redeemed by a tradition of government intervention in economic and social life the so called tory touch This ground breaking book begins with the now classic article in which the red tory view was formulated It then presents a new and illuminating picture of Canadian political life in which liberal individualism confronts not toryism but the participatory tradition of civic republicanism In the final section the two editors one a liberal the other a civic republican debate the crucial questions dominating Canadian politics today including Quebec's search for recognition from the perspective of their shared understanding of Canada's founding **Canadian History: Confederation to the present** Martin Brook Taylor,Doug Owram,1994-01-01 In these two volumes which replace the Reader's Guide to Canadian History experts provide a select and critical guide to historical writing about pre and post Confederation Canada with an emphasis on the most recent scholarship Cover **Journal of the Royal Colonial Institute** ,1908 *The Encyclopædia Britannica* Hugh Chisholm,1911 **Canadian Magazine of Politics, Science, Art & Literature** ,1903 **The Canadian Magazine of Politics, Science, Art and Literature** ,1902 **Country Guide and Nor'west Farmer** ,1927 **Law and Society Series** Dale Brawn,2014-01-01 Using the judiciary of Manitoba as a model Paths to the Bench examines the political nature of Canada's judicial appointment process and suggests that ability alone seldom determined who went to the bench In fact many of Manitoba's early judges spent little time actually practising law since professional merit was not a criterion for judicial appointments Rather it was relationships with influential mentors and communities that ensured appointments and ultimately propelled careers Brawn offers an in depth analysis of how the paths to the bench of competent and connected and less competent and connected lawyers differed This book is one of the few studies to examine why many of the best and brightest members of the bar either did not want to go to the bench or if they did why they did not get there The Canadian Department of Justice and the Completion of Confederation 1867-78 Jonathan Swainger,2000 The federal Department of Justice was established by John A Macdonald as part of the Conservative party's program for reform of the parliamentary system following Confederation Among other things it was charged with establishing national institutions such as the Supreme Court and the North West Mounted Police and with centralizing the penitentiary system In the process the department took on a position of primary importance in post Confederation politics This was particularly so up to 1878 when Confederation was completed Jonathan Swainger considers the growth and development of the ostensibly apolitical

Department of Justice in the eleven years after the union of 1867 Drawing on legal records and other archival documents he details the complex interactions between law and politics exploring how expectations both inside and outside the legal system created an environment in which the department acted as an advisor to the government He concludes by considering the post 1878 legacy of the department s approach to governance wherein any problem legal or otherwise was made amenable to politicized solutions Unfortunately for the department and the federal government this left them ill prepared for the constitutional battles to come One crucial task was to establish responsibilities within the federal government rather than just duplicate offices which had existed prior to union Others were the establishment of national or quasi national institutions such as the Supreme Court 1875 and the North West Mounted Police 1873 the redrafting of the Governor General s instructions which was done between 1875 and 1877 and centralization of the penitentiary system completed by 1875 The Department benefited from a deeply rooted expectation that law was both apolitical and necessary This ideology functioned in a variety of ways it gave the Department considerable latitude for setting policy and solving problems but rationalized the appearance of politicized legal decisions It also legitimized Department officials claim that it was especially suited to review all legislation advise on the royal prerogative of mercy administer national penitentiaries and appoint judges to the bench Ultimately the fictional notion of law as apolitical and necessary placed the Department of Justice squarely in the midst of the completion of Confederation The Canadian Department of Justice and the Completion of Confederation will be of particular interest to students and scholars of Canadian legal and political history *The Man from Glengarry* Ralph

Connor,2018-09-20 Reproduction of the original *The Man from Glengarry* by Ralph Connor **The Man from Glengarry: A Tale of the Ottawa** Ralph Connor,2022-09-15 Ralph Connor s *The Man from Glengarry* A Tale of the Ottawa is a vivid exploration of life in the rugged Canadian wilderness during the late 19th century Through its engaging narrative style the novel captures the spirit of adventure and the profound connection between its characters and their natural environment Connor employs rich descriptive prose to depict the landscape of Glengarry and the trials faced by its inhabitants emphasizing themes of resilience community and the pursuit of a meaningful existence Set against the backdrop of burgeoning Canadian nationalism and changing social dynamics the book also reflects the complexities of identity and belonging within this evolving landscape Ralph Connor the pseudonym for Charles William Gordon was a Canadian novelist and Presbyterian minister deeply influenced by his experiences in the Canadian frontier Raised in rural Canada his intimate familiarity with the land and its people informs the authentic portrayal present in his work Connor aimed to foster a sense of Canadian identity and pride through his writing addressing the struggles of the common man and the inherent beauty of Canada s vast wilderness I highly recommend *The Man from Glengarry* to readers interested in classic Canadian literature and the interplay of nature and humanity This novel not only serves as a testament to the spirit of an era but also invites readers to reflect on universal themes of courage and community Readers will find themselves enchanted by Connor s lyrical

prose and the vivid characters that inhabit this memorable tale

The Encyclopaedia Britannica: Lord

Chamberlain-Mecklenberg, 1911 The last great work of the age of reason the final instance when all human knowledge could be presented with a single point of view Unabashed optimism and unabashed racism pervades many entries in the 11th and provide its defining characteristics Despite its occasional ugliness the reputation of the 11th persists today because of the staggering depth of knowledge contained within its volumes It is especially strong in its biographical entries These delve deeply into the history of men and women prominent in their eras who have since been largely forgotten except by the historians scholars The Guardian <https://www.theguardian.com/books/booksblog> 2012 apr 10 encyclopedia britannica 11th edition
