Bringing Up Baby to Terms of Endearment from Stagecoach to Reservoir Dogs this lively book provides the first full length study of the use of dialogue in American film Sarah Kozloff shows why dialogue has been neglected in the analysis of narrative film and uncovers the essential contributions dialogue makes to a film s development and impact She uses narrative theory and drama theory to analyze the functions that dialogue typically serves in a film The second part of the book is a comprehensive discussion of the role and nature of dialogue in four film genres westerns screwball comedies gangster films and melodramas Focusing on topics such as class and ethnic dialects censorship and the effect of dramatic irony Kozloff provides an illuminating new perspective on film genres

Wickett's Remedy Myla Goldberg, 2012-02-01 The triumphant follow up to the bestselling Bee Season Wickett s Remedy is an epic but intimate novel about a young Irish American woman facing down tragedy during the Great Flu epidemic of 1918 Wickett s Remedy leads us back to Boston in the early part of the 20th century and into the world of Lydia an Irish American shop girl yearning for a grander world than the cramped confines of South Boston She seems to be well on her way to the life she has dreamed of when she marries Henry Wickett a shy medical student and the scion of a Boston Brahmin family Soon after their wedding however Henry shocks Lydia by quitting medical school and creating a mail order patent medicine called Wickett s Remedy And then just as the enterprise is getting off the ground the Spanish Influenza epidemic of 1918 begins its deadly sweep across the world drastically changing their lives In a world turned almost unrecognizable by swift and sudden tragedy Lydia finds herself working as a nurse in an experimental ward dedicated to understanding the raging epidemic through the use of human subjects Meanwhile we follow the fate of Henry s beloved Wickett s Remedy as his one time business partner steals the recipe and transforms it into QD Soda a wildly popular soft drink Based on years of research and evoking actual events Wickett s Remedy perfectly captures the texture of the times and brings a colourful cast of characters vividly to life including a sad and funny chorus of the dead With wit and dexterity Goldberg has fashioned a novel that is both charming and grand Wickett s Remedy announces her arrival as a major novelist South Boston belonged to Lydia as profoundly and wordlessly as her thimble finger Her knowledge of its streets was more complete than any atlas her mental maps reflecting changes that occurred from season to season day to day and hour to hour Each time she left 28 D Street one among a row of identical triple decker houses the tenements lining the street like so many stained teeth her route reflected this internal almanac For ten years this was enough Then in fifth grade Lydia saw a city map and realized her entire world was a mitten dangling from Boston s sleeve Across the bridge lay Washington Street the longest street in all New

England which began like any other but then continued north a single determined thread of cobblestone that wove itself through every town from Boston to Providence Once Lydia saw Washington Street she knew she could not allow it to exist without her excerpt from Wickett s Remedy
