Sister Margarita:

The Fourteen Sisters of Emilio Montez O'Brien Oscar Hijuelos, 2024-07-16 With soaring matchless prose a Pulitzer Prize winner pens a New York Times bestselling saga of the Montez O'Briens a rambunctious family of Irish Cuban immigrants comprised of fourteen daughters and one doggedly masculine son Publishers Weekly Irish American Nelson O'Brien fell passionately in love with the poetess Mariela Montez while photographing the ravages of battle in Mariela's native Cuba during the Spanish American War After marrying they moved to the United States to start a new life settling in a small Pennsylvania town where Nelson took over the Jewel Box Movie Theater Together they had a remarkable fifteen children fourteen daughters and one lone son In Oscar Hijuelos's *The Fourteen Sisters of Emilio Montez O'Brien* the lives loves and tragedies of this sprawling Irish Cuban family unfold Over the course of a century each member moves in and out of each other's lives traversing Cuba New York California Alaska and Ireland while Margarita the Montez O'Brien's eldest daughter ruminates on the nature of femininity sex love and earthly happiness And as Margarita learns and grows in an overwhelmingly female environment she can't help but contrast her experiences with those of Emilio her intensely masculine brother whose B movie career in the 1950s has left him adrift and frustrated with little hope of success Lush and gorgeously written *The Fourteen Sisters of Emilio Montez O'Brien* is a masterwork by one of America's greatest writers Reckoning with cultural assimilation and complex family dynamics the novel elicits tears and laughter while tenderly revealing the bounteous heart and exhilarating adventures of a warm passionate family Includes a Reading Group Guide
