Sister Ignatia Angel Of Alcoholics Anonymous:

Sister Ignatia Mary C. Darrah, 2001-08-31 *Sister Ignatia* Second Edition Introduction to the Sources and Founding of Alcoholics Anonymous Dick B., 2007 Intended for use by recovery newcomers educational and religious alcoholism programs recovery groups and treatment centers and substance abuse agencies Here for the first time is a simple accurate concise statement of the origins trends changes and detours leading up to involved in and evolving from A A s Big Book and Twelve Step spiritual program of recovery A must for introducing the A A 12 Step subject usefully Changed by Grace Glenn Chesnut, 2006-08 Victor C Kitchen was a New York City advertising executive who wrote one of the Oxford Group s most important books He also went to the same Oxford Group meetings as Bill Wilson who later became the co founder of Alcoholics Anonymous This is a book about A A s roots in the Oxford Group as seen through the pages of Kitchen s work It explains how the key ideas which the two movements shared arose out of the evolution of the modern evangelical movement The author begins with John Wesley s Aldersgate experience in 1738 and traces this understanding of the healing power of grace down to Kitchen s and Bill W s time traversing en route the world of nineteenth century revivalism the Keswick holiness movement and the early twentieth century foreign missionary effort The great theme around which all of this is centered is that of God s grace as the power to change human character itself This book shows what faith and grace are really about It shows how even faith mixed with doubt can lead us into true spiritual awakening and it explains the basic nuts and bolts required to obtain a constant conscious contact with a God of our understanding Each century produces a small handful of great spiritual books I believe strongly that *Changed by Grace* is going to prove one of the greatest of our present century The best way to describe it is to say that it does for us today what William James *Varieties of Religious Experience* did for the world of a hundred years ago John Barleycorn in *The Waynedale News* The Oxford Group & Alcoholics Anonymous Dick B., 1998 A A s life changing program derived almost exclusively from the precepts of A First Century Christian Fellowship also known as the Oxford Group of which A A was an integral part in its early years This book is the only study devoted exclusively specifically to the Oxford Group origins ideas principles practices specific impact on A A its Big Book its Twelve Steps **The Higher Power of the Twelve-Step Program** Glenn F. Chesnut, 2001-09-14 Please use the cover you ve already designed **God and Alcoholism** Dick B., 2002 This book traces A A s real Bible based pioneer program It highlights the early view that relief from alcoholism and addictions can be obtained and a cure received by turning to God The author discloses his own recovery and deliverance within the rooms of A A and applauds the great and unique role of the society during the 20th Century **Father Ralph Pfau and the Golden Books** Glenn F. Chesnut, 2017-01-04 Father Ralph Pfau was one of AAs four most published and most formative authors along with Bill Wilson Richmond Walker and Ed Webster during the new movements earliest thirty years during which it grew from only 100 members to almost 300 000 In the first ten years Pfau spent working to spread AA he said I have traveled nearly 750 000

miles I have spoken before nearly two hundred thousand members of AA at retreats meetings and conventions and personally discussed problems with more than ten thousand alcoholics He produced fourteen extremely popular books called the Golden Books under the pen name Father John Doe along with other books and recordings When he joined Alcoholics Anonymous in 1943 he became the first Roman Catholic priest to get sober in the newly formed movement An alcoholic and drug addict he had spent the previous ten years being removed from parish after parish as his drinking and addiction to downers got out of control over and over again He taught the spirituality of imperfection drawing from St Threse of Lisieuxs Little Way and St Augustines teaching of God as Truth Itself the forgiving God who touches us in our fallenness in acts of sudden psychological insight in which our whole perspective on life undergoes sweeping positive quantum changes Over and over he calmed peoples fear of God by reminding them that perfection was a myth and that no human being could do it all He was one of the most creative and interesting American Catholic theologians of his era Why Early A.A. Succeeded Dick B.,2001 Early AAs founded their pioneer program on basic ideas from the Bible What did they study What did they learn How did they approach the possible biblical subjects There are historical answers and this book provides them More important how can someone in A A or a 12 Step program study the Bible in the way the pioneers did and achieve the same 75% to 93% documented success rates among seemingly hopeless medically incurable alcoholics who went to any lengths to establish their relationship and fellowship with God This book shows you how to do it today *The Twelve Steps* Anonymous,2025-09-09 In this inventive and profound exploration of the Twelve Steps and Twelve Traditions an old timer of the program reveals the recovery journey for what it truly is a modern retelling of the classic hero s journey of transformation that frees spiritual energy trapped by addiction pouring it back into the world thus healing both the individual and the society wonderfully sharp and knowing unexpectedly gripping Kirkus Reviews 2025 Literary Titan Gold Book Award Nonfiction The Twelve Step journey of recovery is at its core the modern retelling of the age old archetype of the Hero s Journey This powerful pattern of transformation is revealed in three stages separation initiation and return These stages perfectly describe the journey of recovery as well and when further broken down into their individual steps such as answering the call getting a mentor and most important of all having that mentor introduce the hero to a Power greater than himself the true meaning and purpose of the recovery journey comes alive The Twelve Steps A Modern Hero s Journey deepens and inspires all those on their own journey of recovery regardless of the type of program they are in The treasures awaiting those bold enough to venture into the adventure will heal not only themselves but all of humanity as well Classic tales from mythology such as The Odyssey and the adventure of Hercules as well as modern stories from popular literature and film such as Luke Skywalker s in the Star Wars series and Harry Potter s journey through Hogwarts plus many more illuminate the Twelve Step journey and offer a deeper and more reverent understanding of this sacred pattern of transformation The Twelve Steps A Modern Hero s Journey entertains informs and delights readers with a profound new understanding of the journey they are on a journey countless of heroes

before him or her have taken since the beginning of time The Good Book - Big Book Guide Book Dick B.,2011-07-26 You don t need to leave A A or any other 12 Step program or even a treatment program just because you are a Christian Nor do you need to flee to an exclusively Christian Fellowship Christian Treatment Program or Christian Track Program just to believe or profess your beliefs in connection with your own recovery You re the boss You need all the help you can get We ve long needed a guide that will use history to help you in your recovery whatever your choice of fellowships groups recovery programs or treatment programs The original Akron A A Christian fellowship with its emphasis on reliance on the Creator of the heavens and the earth acceptance of Jesus Christ as Lord and Savior Bible study prayer guidance fellowship and witness is nothing to be buried to be hushed up or to be afraid of mentioning It s a part of recovery history the most important part the part that set A A apart in the 1930 s as a cure for the medically incurable an alternative to medicine hospitalization and clergy dominated ideas It embraced them all but stood for the importance of a Society that took these ideas and let drunks be the message carriers You can do this too and probably better if you know your history Include this guide book in your reading Include it in your recovery Include it in your fellowship or group Include it with any other recovery program secular Christian or rational It s history It tells you what worked It tells you how you can choose to use it today if you wish It will help you understand words and phrases and ideas that came from historical roots And it doesn t bash other ideas or fellowships It seeks to inform all and urge them to include history in their curriculum This is a guide to history that has not been available before It s a guide that will supplement and not replace It s a guide for you
