Dumitru Staniloae, Kallistos Ware, 2023-10-20 Fairacres Publications 208 This book brings together essays by two outstanding Orthodox theologians to examine the paradox of time in relation to the eternity of God Dumitru Staniloae's *Eternity and Time* a talk given to the Sisters of the Love of God in 1971 was expanded in the first volume of his *Teologia dogmatica ortodoxa* 3 vols Bucharest 1978 The preface to the 1994 English translation of that work *Orthodox Dogmatic Theology* written by Kallistos Ware was based on his essay *Time Prison or Path to Freedom* which was first published in 1989 by SLG Press These reflections brought together for the first time here remain at the forefront of modern theology St niloae illuminates time as a journey on which we may grow in response to the love that God offers us a journey towards sharing in the eternity of the perfect interpersonal communion of the Trinity God in His Incarnation shares the journey with us in Christ so that time enters into eternity and eternity is brought into time At every moment we are free to choose between responding to His love or rejecting it Ware's essay explains that it is the vocation of time to be open to eternity time is fulfilled when God's eternity breaks into the temporal sequence as happened supremely at Christ's birth in Bethlehem as happens also at every Eucharist Our faith is the true rationale of time mutual love after the image of the Trinity **Seasons of my Soul** Clare McKerron, 2023-11-30 SLG Press *Contemplative Poetry* 12 This collection speaks about the experience of nature religion thought ideas and people sometimes with the anxiety that those relationships can bring but also with plenty of celebration There are thoughtful ponderings gazing into the beauty and rawness of nature from wide sweeping beaches or forests to tiny stones and fleeting birds Fractured meaning is celebrated even in its incompleteness alongside the pleasure of wholeness inner certainty and realization **Bringing Forth Christ** Saint Bonaventure, 2024-03-21 Fairacres Publications 90 The short though profoundly mystical work *The Five Feasts of the Child Jesus* which is presented here in a new translation came

from the pen of St Bonaventure Bishop and Doctor of the Church and one of the most renowned followers of St Francis of Assisi We are given five meditations on scenes in the life of Christ Contrary to what one might expect from the title however the theme of these meditations is spiritual motherhood namely the doctrine concerning the mystical birth of God's Word in the soul and the vocation of every Christian to become a mother of Christ Men and women alike are invited to fashion their spiritual lives on Mary the Mother of the Lord and the image of the Church and to develop the maternal element in their nature St Bonaventure brought the skills of a poet and a theologian to his task his work belongs to the rich heritage of Franciscan spirituality it is also a minor classic of the spiritual tradition of western Christianity and has a message pertinent to our times

Theology and Spirituality Andrew Louth, 2024-04-23 Fairacres Publications 55 For centuries theology and spirituality have been divorced as if mysticism were for the saintly and theological study for the practical but unsaintly to paraphrase Thomas Merton So Archpriest Louth writes The theologian is one who prays and one who thinks about the object of his loving prayer So part of the formation of a theologian is the study of spirituality not just as another branch of the history of doctrine or whatever but as a deepening of their own life of prayer This book seeks to show that theology even the rigorous academic theology and spirituality belong together and isolated suffer disintegration and atrophy It does this by suggesting that contemplation lies at the heart of both theology and spirituality and includes an examination of the place of the contemplative in the thought of Diadochus of Photice
