Erasmus' Letter to Carondelet
THE PREFACE TO HIS EDITION OF ST. HILARY, 1523

JOHN C. OLIN

Six Essays On Erasmus And A Translation Of Erasmus Letter To Carondelet 1523

G Psacharopoulos

Six Essays On Erasmus And A Translation Of Erasmus Letter To Carondelet 1523:

Six Essays on Erasmus and a Translation of Erasmus' Letter to Carondelet, 1523 John C. Olin, Desiderius Erasmus, 1979

Erasmus and the "Other" Nathan Ron, 2019-08-03 This book investigates how Erasmus viewed non Christians and different races including Muslims Jews the indigenous people of the Americas and Africans Nathan Ron argues that Erasmus was devoted to Christian Eurocentrism and not as tolerant as he is often portrayed Erasmus thought is situated vis vis the thought of contemporaries such as the cosmographer and humanist Aeneas Sylvius Piccolomini who became Pope Pius II the philosopher scholar and Cardinal Nicholas of Cusa and the Dominican missionary and famous defender of the Native Americans Bartolom Las Casas Additionally the relatively moderate attitude toward Islam which was demonstrated by Michael Servetus Sebastian Franck and Sebastian Castellio is analyzed in comparison with Erasmus harsh attitude toward Islam Turks

Exploiting Erasmus Gregory D. Dodds, 2009-01-01 Exploiting Erasmus examines the legacy of Erasmus in England from the mid sixteenth century to the overthrow of James II in 1688 and studies the various ways in which his works were received manipulated and used in religious controversies that threatened both church and state

Contemporaries of Erasmus Peter G. Bietenholz, Thomas Brian Deutscher, 2003-01-01 Offers biographical information about the more than 1900 people mentioned in the correspondence and works of Erasmus who died after 1450 and were thus approximately his contemporaries

Erasmus in the Footsteps of Paul Greta Grace Kroeker, 2011-01-01 Greta Grace Kroeker examines Erasmus Annotations Paraphrases and the texts of his Erasmus in the Footsteps of Paul is the first book to investigate Erasmus negotiations of Romans in the Reformation world

Authorial Personality and the Making of Renaissance Texts Douglas S. Pfeiffer, 2022 Studying texts by Lorenzo Valla Erasmus Saint Jerome George Gascoigne and Fulke Greville this volume explores authorial character as an instrument of textual analysis in the scholarship of early Renaissance literature

The Correspondence of Erasmus Desiderius Erasmus, 1989-11-01 At the beginning of this volume Erasmus leaves Louvain to live in Basel Weary from the many controversies reflected in the letters of the previous volumes he is also anxious to see the annotations to his third edition of the New Testament through Johann Froben's press Above all he fears that pressure from the imperial court in the Netherlands will force him to take a public stand against Luther Erasmus completes a large number of works in the span of this volume including the Paraphrases on Matthew and John two new expanded editions of the Colloquies an edition of De conscribendis epistolis two apologiae against his Spanish detractors and editions of Arnobius Junior and Hilary of Poitiers But the predominant theme of the volume remains the sorry business of Luther The harder Erasmus persists in trying to adhere to a reasonable course between Catholic and reforming zealots the more he finds himself a heretic to both sides His Catholic critics appear the more dangerous Among them are the papal nuncio Girolamo Aleandro who is bent on discrediting him at both the imperial and papal courts as a supporter of Luther the Spaniard Diego Lopez Zúñiga who compiles a catalogue of Blasphemies and Impieties of Erasmus of Rotterdam and

the Carmelite Nicholaas Baechem who denounces Erasmus both in public sermons and at private drinking parties Erasmus refusal to counsel severity against the Lutherans is motivated chiefly by concern for peace and the common good of Christendom and not by any tender regard for Luther and the other reformers Still many of the letters in this volume testify to his growing aversion to the reformers and we see him moving perceptibly in the direction of his eventual public breach with them A special feature of this volume is the first fully annotated translation of Erasmus Catalogues Iucubrationum Ep 1341 A an extremely important document for the study of Erasmus life and works and of the controversies they aroused Volume 9 of the Collected Works of Erasmus series Erasmus of Rotterdam Society Yearbook ,1997 A Companion to Margaret More Roper Studies Elizabeth McCutcheon,William Gentrup,2022-08-05 This volume is an important contribution to the field of Margaret More Roper studies early modern women s writing as well as Erasmian piety Renaissance humanism and historical and cultural studies more generally Margaret More Roper is the learned daughter of St Thomas More the Catholic martyr their lives are closely linked to each other and to early sixteenth century changes in politics and religion and the social upheaval and crises of conscience that they brought Specifically Roper s major works her translation of Erasmus s commentary on the Lord s Prayer and the long dialogue letter between More and Roper on conscience highlight two major preoccupations of the period Erasmian humanism and More s last years which led to his death and martyrdom Roper was one of the most learned women of her time and a prototype of the woman writer in England and this edited volume is a tribute to her life writings and place among early women authors It combines comprehensive and convenient joining of biographical textual historical and critical components within a single volume for the modern reader There is no comparable study in print and it fills a significant gap in studies of early modern women writers **The Oxford Handbook of the Early Modern Sermon** Peter McCullough,Hugh Adlington,Emma Rhatigan,2011-08-04 The Oxford Handbook of the Early Modern Sermon is the first book to survey this rich new field for both students and specialists It is divided into sections devoted to sermon composition delivery and reception sermons in Scotland Ireland and Wales English Sermons 1500 1660 and English Sermons 1660 1720
