Slow Way Home:

Slow Way Home Michael Morris, 2004-06-01 On the surface Brandon Willard seems like your average eight year old boy He loves his mama peanut butter and jelly sandwiches and G I Joe But Brandon s life is anything but typical Wise beyond his years Brandon understands he s the only one in this world he can count on It s an outlook that serves him well the day his mama leaves him behind at the Raleigh bus station and sets off to Canada with her destiny the latest man that she hopes will bring her happiness The day his mother leaves Brandon takes the first step toward shaping his own destiny Soon he sends himself spending pleasant days playing with his cousins on his grandparents farm and trying to forget the past In the safety of that place Brandon finally is able to trust the love of an adult to help iron out the wiry places until his nerves are as steady as any other boy s But when Sophie Willard shows up a year later with a determined look in her eye and a new man in tow Brandon s grandparents ignore a judge s ruling and flee the state with Brandon Creating a new life and identity in a small Florida town Brandon meets the people who will fill him with self worth and self respect He slowly becomes involved with God s Hospital a church run by the gregarious Sister Delores a woman who is committed to a life of service for all members of the community black and white regardless of some townsfolk s disapproval *A Place Called Wiregrass* Michael Morris, 2024-01-17 Erma Lee is on the run Running from an abusive husband running from a mother who doesn t care never cared Running from a soul numbing factory job that has held her down her entire life Erma Lee and her granddaughter Cher flee to the town of Wiregrass Alabama to escape the past and start over or so Erma Lee thinks Erma Lee forms an unlikely friendship with Miss Claudia an elderly socialite who is hiding a few details about her own past Life in Wiregrass is different for Erma Lee and Cher for here they find mercy and promise until that is the day Cher s convict father arrives in town forcing all three women to come to terms with buried secrets *Phenie's World* M. J. Cobb Young, 2005-02 *Slowing Time* Barbara Mahany, 2014-10-07 Barbara Mahany believes the sacred is all around within finger s reach here to be gathered culled collected through the simple yet complex art of paying attention of savoring the moment of cultivating stillness Making room for the God and illuminating the Godly specks in the everyday Noticing the seen revealing the unseen and pinpointing the divine in both The book sifts through the terrain of three particular landscapes where the author most often encounters the stirrings of the Divine under heaven s dome on the front lines of the homefront and in the unspooling of the seasons The most essential prayer often is the life closely examined held up to the light By probing deeply the nooks and crannies of the home front the author points out that the reader need not venture far to find what matters most And the questions stirred will linger long after the page is turned *The Hounds of Annwn (1-5)* Karen Myers, 2016-12-31 Book Bundle for The Hounds of Annwn Books 1 thru 5 To Carry the Horn Book 1 of The Hounds of Annwn AN ENTIRE KINGDOM BUILT AROUND A SUPERNATURAL NEED FOR JUSTICE ENFORCED BY THE WILD HUNT AND THE HOUNDS OF HELL What would you do if you blundered into a strange world where all around you was the familiar landscape of the Blue Ridge Mountains of

Virginia but the inhabitants were the long lived fae and you the only human George Talbot Traherne stumbles across the murdered huntsman of the Wild Hunt and is drafted into finding out who did it Oh and assigned the task of taking the huntsman s place with the Hounds of Hell whether he wants the job or not The antlered god Cernunnos is the sponsor of this kingdom and he requires its king to conduct the annual hunt for justice in pursuit of an evil criminal or else lose his right to the kingship and possibly end up hunted himself Success is far from guaranteed and no human has held the post George discovers his own blood links to the fae king and he s determined to try But Cernunnos himself has a personal role to play and George will have to sort out just why he s the one who s been chosen for the task And whether he has any chance of surviving the job Find out what it s like to live in a world where you can help the Right to prevail even if it might cost you everything To Carry the Horn is the first book of The Hounds of Annwn The Ways of Winter Book 2 of The Hounds of Annwn TRAPPED BEHIND ENEMY LINES CAN HE FIND THE STRENGTH TO DEFEND ALL THAT HE VALUES MOST OR EVEN JUST TO SURVIVE It s the dead of winter and George Talbot Traherne the new human huntsman for the Wild Hunt is in trouble The damage in Gwyn ap Nudd s domain reveals the deadly powers of a dangerous foe who has mastered an unstoppable weapon and threatens the fae dominions in both the new and the old worlds Secure in his unbreachable stronghold the enemy holds hostages and has no compunction about using them in deadly experiments with newly discovered way technology Only George has a chance to reach him in time to prevent the loss of thousands of lives even if it costs him everything Welcome to the portrait of a paladin in the making Can he carry out a rescue without the deaths of all involved Will his patron the antlered god Cernunnos help him or just write him off as a dead loss He has a family to protect and a world to save and little time to do it in King of the May Book 3 of The Hounds of Annwn MORE VALUABLE AS A WEAPON THAN A KINGMAKER HE MUST MAKE HIS OWN CHOICES TO SECURE THE FUTURE George Talbot Traherne the human huntsman for the Wild Hunt had hoped to settle into a quiet life with his new family but it was not to be Gwyn ap Nudd Prince of Annwn has plans to secure his domain in the new world from the overbearing interference of his father Lludd the King of Britain The security of George s family is bound to that of his overlord and he vows to help But when he and his companions stand against Lludd and his allies at court disaster overturns all their plans and even threatens the Hounds of Annwn themselves George and his patron the antlered god Cernunnos must survive a subtle attack that undermines them both Other gods and gods to be have taken an interest but the fae are divided in their allegiances and fear the threat of deadly new powers in their unchanging lives George and his companions must save themselves if they are to persuade their potential allies to help But how can they do so attacked on so many fronts at once Will he put his family into greater jeopardy by trying to defend them Bound into the Blood Book 4 of The Hounds of Annwn DISTURBING THE FAMILY SECRETS COULD BRING RUIN TO EVERYTHING HE S WORKED SO HARD TO BUILD George Talbot Traherne the human huntsman for the Wild Hunt is preparing for the birth of his child by exploring the family papers about his parents and their deaths

When his improved relationship with his patron the antlered god Cernunnos is jeopardized by an unexpected opposition he finds he must choose between loyalty to family and loyalty to a god He discovers he doesn't know either of them as well as he thought he did His search for answers takes him to the human world with unsuitable companions How will he keep a rock wight safe from detection or even teach her the rules of the road And what will he awaken in the process bringing disaster back to his family on his own doorstep What if his loyalty is misplaced What will be the price of his mistakes Tales of Annwn A story collection from The Hounds of Annwn The Call A very young Rhian discovers her beast sense and with it the call of a lost hound It's not safe in the woods where cries for help can attract unwelcome attention but two youngsters discover their courage in the teeth of necessity Under the Bough Angharad hasn't lived with anyone for hundreds of years but now she is ready to tie the knot with George Talbot Traherne the human who has entered the fae otherworld to serve as huntsman for the Wild Hunt As soon as she can make up her mind anyway George has been swept away by his new job and the people he has met and by none more so than Angharad But how can she value the short life of a human And what will happen to her after he's gone Night Hunt When George Talbot Traherne goes night hunting for fox in Virginia he learns about unworthy men from the old timers drinking moonshine around the fire and makes his own choices Who could have anticipated that the same impulse that won him his old bluetick coonhound would lead him to his new wife and the hounds of Annwn Every choice has a cost he realizes but never a regret Cariad Luedoc is off with his adopted nephew Benito to fetch horses for the Golden Cockerel Inn He's been reunited with his beloved Ma llys at last but how can he fit into her capable life as an innkeeper What use is he to her now after all these years Luedoc needs to relearn an important lesson about confidence The Empty Hills George Talbot Traherne arranges a small tour of the local human world for his fae family and friends hoping to share some of the sense of wonder he discovered when he encountered the fae otherworld He's worried about discovery by other humans but things don't turn out quite the way he expects

A Spear-Carrier in Viet Nam Michael E.

Tolle, 2018-11-06 There was another war in Vietnam one that mostly did not make the headlines the campaign to win the hearts and minds of the Vietnamese people Fought not with artillery and helicopters but with food medicine and shelter for civilians devastated by the conflict the effort was unprecedented in U.S. history involving both military and civilian personnel working together in widely spread areas of the countryside Part history and part memoir this book chronicles an overlooked aspect of U.S. involvement in Vietnam with a focus on the war victims and refugees who were most tragically affected by the carnage The author recounts his two years in country as an aid worker and tells how the humanitarian effort was conducted and why it failed

The Richmond Theater Fire Meredith Henne Baker, 2012-03-14 On the day after Christmas in 1811 the state of Virginia lost its governor and almost one hundred citizens in a devastating nighttime fire that consumed a Richmond playhouse During the second act of a melodramatic tale of bandits ghosts and murder a small fire kindled behind the backdrop Within minutes it raced to the ceiling timbers and enveloped the audience in flames The tragic Richmond Theater fire would inspire a national commemoration and become its generation's defining disaster A vibrant and bustling city Richmond was synonymous with horse races gambling and frivolity The gruesome fire amplified the capital's reputation for vice and led to an upsurge in antitheater criticism that spread throughout the country and across the Atlantic Clerics in both America and abroad urged national repentance and denounced the stage a sentiment that nearly destroyed theatrical entertainment in Richmond for decades Local churches by contrast experienced a rise in attendance and became increasingly evangelical In *The Richmond Theater Fire* the first book about the event and its aftermath Meredith Henne Baker explores a forgotten catastrophe and its wide societal impact The story of transformation comes alive through survivor accounts of slaves actresses ministers and statesmen Investigating private letters diaries and sermons among other rare or unpublished documents Baker views the event and its outcomes through the fascinating lenses of early nineteenth century theater architecture and faith and reveals a rich and vital untold story from America's past
