houses hunt and farm life remained hard for all concerned Men had to plant and tend crops hunt wild game and fix anything that broke Women had to take care of children sew cook and perform dozens of other duties Children also had a list of chores that they had to perform every day There was so much work in fact that colonists began using indentured servants and then slaves from Africa to plant and harvest their crops Learn what daily life was like for the colonists and how their successes affected the Native Americans and governments in other countries *Catalog of Copyright Entries.
