Just You & I: An Award-winning film Screenplay. William Smith, Marilyn Buttigieg, 2022-12-06 Here is the official screenplay book tie-in to the true story drama of a couple from the United Kingdom who share a large age gap. Just You I introduces audiences to one of the most endearing taboos to ever hit our screens: Age Gap Relationships. They are still to this day (2022) frowned upon by society but now are becoming widely accepted. However, when Marilyn met William, the year was 2005 and age gap relationships were NOT ACCEPTED. NOT ONE BIT. From Writers/Directors William Smith and Marilyn Buttigieg comes Just You I, an Award-winning film about one age gap couple's epic true story of love, sacrifice, and struggle. After being given some devastating news, Marilyn Cooper literally bumps into her destiny as she runs out of the hospital, blinded by her own tears. THEN BAM! She collides with a young man on his way to work, William Simmons, who is stunned at first that the woman he had seen many times before but never dared to talk to was standing in front of him. Before any words could leave his mouth, fate was about to forsake him once more when, without looking back, Marilyn took off running down the street. But fate wasn't done yet as he watched her running into the distance, he noticed something out of the corner of his eye. He looked down and saw Marilyn's purse laying at his feet. The black purse would set their lives spiraling out of control.
