Smattering Of Monsters:

A Smattering of Monsters George Greenfield, 1995 Now exactly fifty years after the publication of his first book George Greenfield looks back over a memorable half century in the book world With humour and insight he comments on the businesses of publishing and agenting and delightfully recalls many of the anecdotes and incidents accumulated during a distinguished career English as a Vocation Christopher Hilliard, 2012-05-31 *English as a Vocation* is a history of the most influential movement in modern British literary criticism F R Leavis and his collaborators on the Cambridge journal *Scrutiny* in the 1930s to the 1950s demonstrated compelling ways of reading modernist poetry Shakespeare and the texts of advertising Crucially they offered a way of teaching critical reading an approach that could be adapted for schools and adult education classes modelled in radio talks and paperback guides to English Literature and taken up in universities as far afield as Colombo and Sydney This book shows how a small critical school turned into a movement with an international reach It tracks down Leavis's students analysing the pattern of their social origins and subsequent careers in the context of twentieth century social change It shows how teachers transformed *Scrutiny* approaches as they tried to put them into practice in grammar and secondary modern schools And it explores the complex even contradictory politics of the movement Champions of creative writing and enemies of progressive education alike based their arguments on *Scrutiny*'s interpretation of modern culture Left Leavisites such as Raymond Williams Richard Hoggart and Stuart Hall wrought influential interpretations of social class and popular culture out of arguments with the *Scrutiny* tradition This is the first book to examine major figures such as these alongside the hundreds of other teachers and writers in the movement whose names are obscure but who wrestled with the same challenges how do you approach a baffling poem How do you uncover what an advertisement is trying to do How can literature inform our everyday experiences and judgements What does culture mean in modern times

Monster Apocalypse Paul R. Brown, 2018-11-20 When a worldwide monster invasion brings civilization to a crashing blood soaked halt and puts humanity on the Endangered Species list in the space of a single afternoon 23 year old misanthrope Fay Tucker must set out across the ruins of northeast Ohio in search of her little sister Daisy To see her mission through the embittered wannabe hermit is forced to associate with those treacherous simians aka human beings and soon becomes the nucleus of a small group of equally dysfunctional young women As their quest takes them from the corpse strewn streets of suburbia to the red litten alleys of a city ablaze with unholy fire from a harpy besieged National Guard base to an amusement park turned ogre run death camp the women are forced to contend with both demons within and monsters without and Fay finds herself forming bonds with her allies that may prove too strong for even her prickly soul to resist If that is she and they can stay alive that long **Enid Blyton** Andrew Maunder, 2021-12-02 This book is a study of the best selling writer for children Enid Blyton 1897 1968 and provides a new account of her career It draws on Blyton's business correspondence to give a fresh account of a misunderstood figure who for forty years was one of Britain's most successful

and powerful authors It examines Blyton s rise to fame in the 1920s and considers the ways in which she managed her career as a storyteller journalist and magazine editor There is discussion of her most famous series including the Famous Five the Secret Seven Malory Towers and Noddy but attention is also given to lesser known works including the family stories she published to acclaim in the 1940s and early 1950s as well as her attempts to become a dramatist The book also discusses Blyton s fluctuating critical reputation how she and her works were received and how Blyton the person has fared at the hands of biographers and the media

Gods & Monsters Cynthia D. Witherspoon, T.H. Morris, 2022-01-31 Eva had gone from one fire straight into another After her run in with a deranged Spirit Reaper and Persephone she was sure that returning to filming the episodes for Grave Messages would be a vacation How could she possibly get into any more trouble than she d already been in But there was something much worse on the horizon Much darker Much more dangerous Poveglia Island A compelling fantasy adventure Gods Monsters is the fourth novel in the Gods Ghosts series by Cynthia D Witherspoon and T H Morris

Women and Other Monsters Jess Zimmerman, 2021-03-09 A fresh cultural analysis of female monsters from Greek mythology and an invitation for all women to reclaim these stories as inspiration for a more wild more monstrous version of feminism The folklore that has shaped our dominant culture teems with frightening female creatures In our language in our stories many written by men we underline the idea that women who step out of bounds who are angry or greedy or ambitious who are overtly sexual or not sexy enough aren t just outside the norm They re unnatural Monstrous But maybe the traits we ve been told make us dangerous and undesirable are actually our greatest strengths Through fresh analysis of 11 female monsters including Medusa the Harpies the Furies and the Sphinx Jess Zimmerman takes us on an illuminating feminist journey through mythology She guides women and others to reexamine their relationships with traits like hunger anger ugliness and ambition teaching readers to embrace a new image of the female hero one that looks a lot like a monster with the agency and power to match Often women try to avoid the feeling of monstrousness of being grotesquely alien by tamping down those qualities that we re told fall outside the bounds of natural femininity But monsters also get to do what other female characters damsels love interests and even most heroines do not Monsters get to be complete unrestrained and larger than life Today women are becoming increasingly aware of the ways rules and socially constructed expectations have diminished us After seeing where compliance gets us harassed shut out and ruled by predators women have never been more ready to become repellent fearsome and ravenous
