Ministry of Health, 1978 **Sunbeams for all seasons; counsels, cautions, and precepts &c** Sunbeams, 1861 Anxious Hearts Guy Sigley, 2025-09-02 Kelly O Mara is relentless in her pursuit of excellence In her late twenties she s an outstanding junior doctor preparing to sit her specialist paediatric exams She will sacrifice friendships a social life and romance to be the best among her peers But this self imposed pressure means she s constantly on edge an explosion waiting to happen Finn Walsh understands Kelly better than anyone On the surface he s a successful actor but behind the television smile he s battling an overwhelming fear that every move he makes could lead to disaster Anxious self loathing and plagued by a sense of impending doom away from the camera Finn struggles to hold back the darkness of everyday life Kelly and Finn have been inseparable since childhood two broken souls with a powerful bond Through their shared struggles and quiet understanding they ve always been each other s safe place source of healing and strength Until now when the oppressive weight of their own fears and expectations has begun to overwhelm them both A rift opens in their relationship gradually sending each of them into a toxic spiral How much will these flawed but fiercely loyal friends be willing to sacrifice to save each other and themselves Written with insight compassion and humour Anxious Hearts is a heart filled exploration of love mental health and the impossible standards we set for ourselves in an ever more demanding world *Mid-Summer Woods* Jane Summers, 2019-02-26 The poems are a reflection in time of a person s life The poems are not directed at anyone It is my perception of moments in one s life *Good Morning Africa* UCHECHUKWU GODWIN SIMON, 2013-05-30 *Good Morning Africa* is a compendium of series of poetry collection on the African dream Sierra Leone experience the power of regeneration and love and life in general Africa in recent time has experienced a series of wars that seriously threatened the corporate existence of most of its states and brought untold hardship on its people these wars were quite devastating and gravely debased human dignity and beyond those brutally murdered others live with the scars of these wars The Sierra Leone experience is very green in our memories the beauty of the country the war and its consequences *Good Morning Africa* further elucidates the general African inclination with a cursory look at political events in Nigeria and its socioeconomic consequences on the country and its people The Bakassi Peninsula experience was expressed *Good Morning Africa* is a must read for every vibrant and adventurous mind It is an expression of Africa by an African in pursuit of an African dream italicized in poetry Similarly a peep into the various wars within the West African region in which we participated under ECOMOG brings home the feelings of African upset These are aptly captured poetically in the wake up call on Africa **Flight Season** Marie Marquardt, 2018-02-20 From Marie Marquardt the author of *Dream Things True* and *The Radius of Us* comes a story of two teenagers learning what to hold on to what to let go of and that sometimes love gets in the way of our plans Back when they were still strangers TJ Carvalho witnessed the only moment in Vivi Flannigan s life

when she lost control entirely Now TJ can't seem to erase that moment from his mind no matter how hard he tries Vivi doesn't remember any of it but she's determined to leave it far behind And she will But when Vivi returns home from her first year away at college her big plans and TJ's ambition to become a nurse land them both on the heart ward of a university hospital facing them with a long and painful summer together three months of glorified babysitting for the problem patient on the hall Sure the girl may be suffering from a life threatening heart infection but that doesn't make him any less of a pain As it turns out though the girl Sol's has a thing or two to teach them about all those big plans and the incredible moments when love gets in their way Written in alternating first person from the perspectives of all three characters Flight Season is a story about discovering what's really worth holding onto learning how to let go of the rest and that one crazy summer that changes your life forever

The Final Season E. C. Putnam, 2010 This is it senior season and a good chance to compete for state Player dad Steve Pelham isn't about to miss a second of the excitement he's sure will be provided by his son Woody and the other ten seniors of the high school team Not even the specter of cancer's return is going to keep Steve from a minute of this The Final Season Even non baseball fans will delight in this front row viewing of emotional wins and losses pivotal personal choices and trying tests of faith as the Sandy Pines Panthers claw their way toward the state championship series The book culminates in a climactic surprise ending that will leave readers both stunned and impressed
