The Taste of Tiny Bones Vincent Heselwood, 2024-07-04 No one knows where he came from He s what lingers in the shadows behind you when you turn off the lights and race up the stairs The darkness beneath the bed that keeps your feet tucked tightly under the covers The Bogeyman But Evie Creepy Morenson has unknowingly found a way to make him something more than what he was something much more vicious something much more hungry A simple blog post causes new nightmares to start new fears that give him new life and now something is very very wrong She s lost control of the monster she created and children are starting to die Will she and Detective Ezra Dean find a way to stop him before he goes viral You thought you were afraid of the Boogeyman before Just wait

Mr. Bones Paul Theroux, 2014 After more than forty years of publishing short stories Theroux has become a master of the form with a deep capacity to engage enchant and unsettle He asserts his preeminence in short fiction with an unassuming brilliance Kirkus Reviews starred review A family watches in horror as their patriarch transforms into the singing wisecracking lead of an old timey minstrel show A renowned art collector relishes destroying his most valuable pieces Two boys stand by helplessly as their father stages an all consuming war on the raccoons living in the woods around their house A young artist devotes himself to a wealthy malicious gossip knowing that it s just a matter of time before she turns on him In this new collection of award winning short stories acclaimed author Paul Theroux explores the tenuous leadership of the elite and the surprising revenge of the overlooked He shows us humanity possessed consumed by its own desires and compulsions always with his carefully honed eye for detail and the subtle idiosyncrasies that bring his characters to life Searing dark and sure to unsettle Mr Bones is a stunning new display of Paul Theroux s fluent faintly sinister powers of vision and imagination The New Yorker

The Loop Ben Oliver, 2020-04-07 A script ready story with blockbuster potential Kirkus Starred Review Life inside The Loop the futuristic death row for teens under eighteen is one long repetitive purgatory But when news of the encroaching chaos in the outside world reaches the inmates and disorder begins to strike the prison becomes the least of their worries Perfect for fans of The Maze Runner and The Fifth Wave It s Luka Kane s 16th birthday and he s been inside The Loop for over two years Every inmate is serving a death sentence with the option to push back their execution date by six months if they opt into Delays scientific and medical experiments for the benefit of the elite in the outside world But rumors

of a war on the outside are spreading amongst the inmates and before they know it their tortuous routine becomes disrupted The government issued rain stops falling Strange things are happening to the guards And it s not long until the inmates are left alone inside the prison Were the chains that shackled Luka to his cell the only instruments left to keep him safe In a thrilling shift he must overcome fellow prisoners hell bent on killing him the warden losing her mind the rabid rats in the train tunnels and a population turned into murderous monsters to try and break out of The Loop save his family and discover who is responsible for the chaos that has been inflicted upon the world **Beneath the Silence** Ellis Grayson ,2025-09-26

Beneath the Silence by Ellis Grayson The third book in the Fall Series continues the Fall saga with darker threats and deeper secrets New Haven was meant to be safe a community rebuilt from the ruins But safety is an illusion Outside the walls the dead evolve in terrifying ways Inside fear suspicion and hidden agendas threaten to tear the survivors apart Derek carries the weight of leadership forced to make choices that pit survival against humanity Jennifer fights to keep hope alive while Jillian Bellamy Munroe and the others discover that the silence beyond the barricades hides more than the dead When whispers of Outpost 9 surface the survivors realise the apocalypse isn t just about zombies it s about control power and the dark truths buried beneath the silence **Imagine** ,1984 **Smiler's Bones** Peter Lerangis,2007-02-01 Provides the story of an Eskimo boy who after being brought from his home in Greenland to New York City by explorer Robert Peary was forced to deal with the death of his father and the loss of everything familiar to him **The Winding Road to West Egg** Robert Roulston,Helen Roulston,1994 F Scott Fitzgerald s early short stories even more than his first two novels This Side of Paradise and The Beautiful and Damned reveal both a growing mastery of his craft and an evolution of the themes and techniques that distinguish The Great Gatsby and his major later works Indeed features of Gatsby that Fitzgerald supposedly absorbed from Joseph Conrad Willa Cather William Makepeace Thackeray Oswald Spengler and T S Eliot sometimes appear in stories Fitzgerald wrote before reading such putative sources Scholars Robert and Helen H Roulston examine Fitzgerald s fiction up to the completion of The Great Gatsby and briefly survey his later career in The Winding Road to West Egg *The Mark of the Moderately Vicious Vampire* Charles L. Grant,2017-08-04 A PAIN IN THE NECK He turns into a bat Drinks the blood of the living And never pays income taxes He s the Vampire Lamar and since he s come to New England the body count s been rising every time he rises But even eternal nightlife can take on a chill without companionship The unholy fiend in need seeks a down to earth flesh and blood girl who s his er type for a very long term relationship But where there are vampires there are vampire hunters Unfortunately their stakeout for an eccentric nobleman sends them chasing a mortal target named KENT MONTANA He s the descendant of Scottish nobility or so he claims He s an out of work actor He never gets a good script but his life is more exciting than any science fiction movie In fact his list is a science fiction movie
