The Monster War Dave Duncan, 2014-04-29 A new link in the tale begun in The Gilded Chain from one of the great unsung figures of Canadian fantasy and science fiction Quill Quire Originally issued as a YA trilogy called the King's Daggers including volumes Sir Stalwart The Crooked House and Silvercloak The Monster War works equally well as a single novel The story fills a gap in the first Blades novel The Gilded Chain when King Ambrose sought to shut down the evil sorcery of the Elementaries and the sorcerers fought back by trying to kill him The same great characters are all here Ambrose himself Grand Master and Blades Durendal Bandit and Snake Appearing for the first time are Sir Stalwart the only Blade who does not bear a binding scar and Emerald of the White Sisters the only girl ever enrolled in Ironhall The action wanders across Chivial from the White Sisters headquarters at Oakendown to Grandon and into the heart of Ironhall for the evil penetrates even there If you missed this one the first time and most Blades fans did then here is your chance to join the action as the King's Blades ride again

Historical Dictionary of Fantasy Literature Allen Stroud,2023-06-12 Fantasy is both old and new In the ancient past stories of magic where supernatural creatures existed the gods walked the earth and heroes saved their civilizations from the dark fate that awaited them were intermingled with history religion and fact It is only in the last few hundred years that a conscious suspension of disbelief has allowed us to return to fantasy the literature of the impossible and appreciate it for its craft and storytelling once more Historical Dictionary of Fantasy Literature Second Edition contains a chronology an introduction an extensive bibliography and cross referenced entries on more than 800 authors ranging across the entire historical spectrum More than 200 other entries describe the fantasy sub genres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies This book is an excellent resource for students researchers and anyone wanting to know more about fantasy literature

The A to Z of Fantasy Literature Brian Stableford,2009-08-13 Once upon a time all literature was fantasy set in a mythical past when magic existed animals talked and the gods took an active hand in earthly affairs As the mythical past was displaced in Western estimation by the historical past and novelists became increasingly preoccupied with the present fantasy was temporarily marginalized until the late 20th century when it enjoyed a spectacular resurgence in every stratum of the literary marketplace Stableford provides an invaluable guide to this sequence of events and to the current state of the field The chronology tracks the evolution of fantasy from the origins of literature to the 21st century The introduction explains the nature of the impulses creating and shaping fantasy literature the problems of its definition and the reasons for its changing historical fortunes The dictionary includes cross referenced entries on more than 700 authors ranging across the entire historical spectrum while more than 200 other entries describe the fantasy subgenres key images in fantasy literature technical terms used in fantasy criticism and the intimately convoluted relationship between literary fantasies scholarly fantasies and lifestyle fantasies The book concludes with an extensive bibliography that ranges from general textbooks and specialized accounts of the history and scholarship of fantasy literature through bibliographies and accounts of the fantasy literature of different nations to individual author studies and useful websites

[Mother of Lies](#) Dave Duncan,2025-04-16 Continuing the storyline set out in Children of Chaos Mother of Lies is a fierce kinetic romp that will keep readers guessing until the last blow is dealt The past fifteen years have not been kind to Celebre the greatest city on the Florengian face of a dodecahedral world Its walls have been breached and its Doge humiliated by the evil Bloodlord Stralg all four of its heirs kidnapped and taken over the Edge to Vigaelia its Dogaressa forcibly impregnated by Stralg and when her

husband's health begins to fail left to rule over a city teeming with Stralg's troops And if you think Stralg is bad wait until you meet his sister Saltaja a fanatic who sees no human cost as too great to keep the Hrag dynasty in power and her goddess evil Xaran the Mother of Lies appeased But there are a few great hopes for the future of the city the Mutineer Marno Cavotti who will not stand to see his hometown destroyed and is massing a powerful liberation movement mere inches beyond Stralg's grasp And the four heirs of Celebre each with god-given expertise in their respective fields of artistry combat wisdom or death are wending their way back over the Edge to their birthplace Of course even as Marno and the Celebre children are working towards the common goal of defeating the Hrag's they're all painfully aware that once that hurdle is crossed only one of them can wind up on the throne At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied
