Katz, Linda Sternberg Katz, Esther Crain, 1994 Reference guide to poetry anthologies with descriptions and evaluations of each anthology

*Robert Penn Warren:* Mark Royden Winchell, 2023-12-15 At least since the dawn of the Romantic era it has been assumed that the poet lives a lonely life isolated in his garret Nevertheless writers are not always hermits and misanthropes As human beings they crave the company of other human beings as artists they need the stimulation of other artists This book brings to light Warren's most important literary associations during his long and active life **Cumulative Paperback Index,**

**1939-1959** R. Reginald, 2009-12-01 This was the first bibliography and guide to the American mass market paperback book and it remains one of the most definitive The major index is by author and lists author title publisher book number year of publication and cover price The title index lists titles and authors only The publisher index provides a history of that imprint with addresses number ranges and general physical description of the books issued This is the place that all study of the American paperback must begin **Selected Letters of Robert Penn Warren**

Robert Penn Warren, 2008 Volume four of the *Selected Letters of Robert Penn Warren* covers a crucial time of personal and professional rejuvenation in Warren's life During the fifteen year period spanned by this correspondence he completed *Brother to Dragons* *Segregation* *The Inner Conflict in the South* and *Who Speaks for the Negro* As these titles suggest these years were marked by Warren's immersion in American history and his maturing interest in race relations They also saw his return to lyric poetry after a ten year hiatus with the publication of the Pulitzer Prize winning collection *Promises* Along with seeing the completion of some of his most successful work this period was a time of momentous change in Warren's life including his move to Yale University his marriage to his second wife Eleanor and the birth of his two children As a chronicle of Warren's thoughts on his family his work his friends the state of literary studies and the culture at large these letters are invaluable Unlike many writers Warren

rarely drafted his correspondence with future readers and scholars in mind he typically saved his prepared statements about the human condition and the state of the world for his poetry fiction and social commentary His letters offer a candid and personal glimpse of Warren s relationships as well as his personal views on literature politics and social trends Their recipients include Ralph Ellison Allen Tate Saul Bellow Robert Lowell Eudora Welty and Louis Rubin as well as Warren s editors reviewers collaborators and other friends Providing an unusually vivid and personal account of Warren s rich and fully realized life these missives are equally revealing of his thoughts on the state of contemporary American culture during this dynamic time in American history
