G. Ramsay, 2011-01-01 Decimus Junius Juvenalis known as Juvenal is one of the greatest satirists and moralists in history His works of which 16 are preserved are scathing and unapologetic in their presentment of Rome and its citizens Juvenal is also revered as a social historian for his vivid depictions of Latin life He wrote his satires between 100 and 127 AD and although his volumes of poetry were lost for several centuries his rediscovered works introduced a tradition of satire that has been popular for nearly two thousand years Juvenal has often been misunderstood as some critics have denounced him for having disliked everything in his life However the poet intended for his works to instruct as much as chastise In these 16
