Joie de Vivre Harriet Welty Rochefort, 2012-10-02 An engaging exploration of the style that permeates all things French perfect for anyone looking to achieve that classic French flair For Harriet Welty Rochefort an American who has lived in France for many years with her very French husband it's clear that the French truly are singular in the way they live act and think from the lightness of their pastries to the refinement of their Hermes scarves They simply exude a certain je ne sais quoi that is a veritable art form The French revel in the moment appreciate the time spent in preparing a perfect feast pay

attention to the slightest detail whether flowers on the table or a knockout accessory on a simple outfit and work hard when not enjoying their considerable leisure time without an ounce of guilt Their joie de vivre can come where you least expect it for the French it s better to have a chagrin d amour than no amour at all and for the Frenchman a day without discord is a day without a kick They have fun yes fun when they fuss and feud squabble and shrug When it comes to joie de vivre Harriet is convinced the French are unbeatable With good humor and genuine affection for the prickly paradoxical and pleasure seeking Gauls she takes the reader on her own personal journey through the often byzantine French mindset sharing tips and tricks such as how to diet like a Frenchwoman and project confidence like a true Parisienne In her signature warm witty and entertaining voice Harriet shows how joie de vivre permeates the French way of life precisely because it doesn t include a pursuit of happiness Fortunately she discovered you don t have to pursue happiness in France It pursues you *Expressing Opinions in French and Australian English Discourse* Kerry Mullan,2010 Based on the analysis of conversations between French and Australian English speakers discussing various topics including their experiences as non native speakers in France or Australia this book combines subjective personal testimonies with an objective linguistic analysis of the expression of opinion in discourse It offers a new perspective on French and Australian English interactional style by examining the discourse markers think je pense je crois and je trouve It is shown that the prosody intonation unit position and the surrounding context of these markers are all fundamental to their function and meaning in interaction In addition this book offers the first detailed comparative semantic study of the three comparative French expressions in interaction The book will appeal to all those interested in linguistics French and Australian English interactional style cross cultural communication and discourse analysis Students and teachers of French will be interested in the semantic analysis of the French expressions the authentic interactional data and the personal testimonies of the participants Kerry Mullan s work constitutes a substantial and original contribution to cross linguistic and cross cultural comparison The book s best contribution is indeed in the insightfulness of the contextual analyses of the chosen markers which renders the claims made about the French and Australian English interactional styles thoroughly convincing Elise Karkkainen University of Oulu The book will not fail to satisfy its readers about many intriguing linguistic differences between French and Australians that may prove to reflect some deeper cultural differences regarding the degree to which speakers can openly express opinions Hilary Chappell Ecole des Hautes Etudes en Sciences Sociales Paris
