Kabul's architectural history has virtually disappeared. By meticulous use of all available records including written works, photographs, films, and oral reminiscences, *Kabul A History 1773-1948* provides a remarkably complete and unsurpassed account of the city's history as seen through its built environment from the pleasure gardens of the 16th and 17th century Mughals to the efforts of the Saduzai and Muhammadzai rulers of the 18th-20th centuries to turn this one-time resort town into a thriving capital city at the center of a country of enormous diversity. Thoroughly documented and well illustrated, the book reveals the rich cultural legacy of a city of global importance. *Business Archives*, 1992. [El amor y la furia](#) Sam Kashner, Nancy Schoenberger, 2011-11-03. Los detalles en estos de una historia de amor que revolucionó el mundo del cine y de las revistas del corazón a mediados del siglo pasado. Un recorrido exhaustivo por la vida de los dos actores más conocidos de Hollywood en el siglo XX y una nueva exploración de su historia de amor que a menudo cabalgó entre la pasión y la violencia. Elizabeth Taylor y Richard Burton se conocieron a principios de los años cincuenta pero fue durante la polémica filmación de la película Cleopatra cuando su idilio fue la comidilla de todo el mundo del cine. Los biógrafos han tenido acceso a documentos inéditos que permiten profundizar en esta historia. A la hora de trabajar los autores han tenido también el apoyo de Elizabeth Taylor, un hecho que da credibilidad a su trabajo sin restarle honestidad. **The British National Bibliography** Arthur James Wells, 2001. *The Richer, The Poorer* Stewart Lansley, 2021-11-25. The Richer The Poorer charts the rollercoaster history of both rich and poor and the mechanisms that link wealth and impoverishment. This landmark book shows how for 200 years Britain's most powerful elites have enriched themselves at the expense of surging inequality, mass poverty, and weakened social resilience. Stewart Lansley reveals how Britain's model of extractive capitalism, with a small elite securing an excessive slice of the economic cake, has created a two-century-long high inequality-high poverty cycle, one broken for only a brief period after the Second World War. Why he asks are rich and poor citizens judged by very different standards? Why has social progress been so narrowly shared? With growing calls for a fairer post-COVID-19 society, what needs to be done to break Britain's destructive poverty inequality cycle? [Seventy Years of the South Western](#) Colin Boocock, 2022-07-28. The South Western main line is one of the most important railways in the south of England. Colin Boocock spent a significant part of his life living on and researching the history of this centre of railway operations in the South and South West of England. This book looks at the network over the last seventy years from Nationalisation through to the present day. The system provides a vital link between the South and South West of Britain and London, operating a mixture of commuter services and important main line passenger trains. Throughout the seventy years covered in this book, the South Western network also had significant flows of heavy freight between the capital and Southampton Docks and the West Country. Today there are still frequent well-loaded container trains from Southampton to the Midlands and the North via Basingstoke and Reading. This volume also covers the transitions from steam traction to diesel and electric in stages from the 1950s through to the late 1980s. *The Saturday Review of Politics, Literature, Science and Art*, 1872.
