concerned with faith Because God is a God of relationship the Bible traces the lives of many who had a relationship with God as well as many who did not In the Bible God tells Hosea for I am God and no mortal 11 9 Simply put this scripture teaches us that God does not choose as we do For example he delivers The Ten Commandments into the hands of a murderer a non Jewish prostitute is chosen to become the great great grandmother of King David of Israel and a hated Samaritan becomes the hero of one of Jesus most enduring parables These Biblical figures can teach us much about grace faith courage and repentance Through brief daily readings The Bones of the Bible reviews and makes relevant some of the people and events of each book of the Bible all within the course of a year You will discover that their journeys are not that different from our own and that the one constant we can depend on is the grace of a loving God Curiosities of literature ... Tenth edition Isaac Disraeli,1839 Baudelaire and the Aesthetics of Bad Faith Susan Blood,1997-04-01 This is a study of Baudelaire s canonization in the critical debates of the twentieth century focusing particularly on his role in the development of a modernist consciousness Much recent work on Baudelaire assumes his modernism by emphasizing his relationship to current critical preoccupations by sounding him out on issues of race and gender for example or by correcting his politics The author begins from the premise that this updating of Baudelaire mistakenly takes him for our contemporary Instead she attempts to treat modernism as a historical problem by seeing Baudelaire as engaged in a more difficult dialogue with twentieth century critics The book concentrates on two key moments in the literary history of the twentieth century the periods following each world war At these junctures French intellectuals intensely reconsidered their cultural patrimony and articulated something like a modernist consciousness Baudelaire stood at the center of this process becoming a sacred figure of modernism and his poetry contributed to a radical reorienting of aesthetic sensibilities For the post World War I period the author focuses on Paul Val ry s essay Baudelaire s Situation for post World War II on the virulent debate between Jean Paul Sartre and Georges Bataille over the question of Baudelaire s bad faith She argues that Sartre s resistance to the sacralization of Baudelaire and to the continuing formulation of a modernist ideology actually suggests a valuable way of rethinking Baudelaire s poetry and critiquing the modern consciousness She attempts to show that something like an aesthetics of bad faith exists and that it is a useful concept for understanding modernism in relationship to its own history Throughout Baudelaire s poetry is examined in detail with a focus on its relationship to his writings on caricature on the problem of the secret architecture and on the place of allegory in a symbolist poetics In the closing chapter the author analyzes Baudelaire s denunciation of photography which reveals the various tensions or bad faith implicit in the modernist consciousness Essays Aesthetical George Henry Calvert,1875
