

A SKETCH OF THE LIFE AND CHARACTER OF DANIEL BOONE

A MEMOIR BY PETER HOUSTON

Daniel Boone

EDITED BY TED FRANKLIN BELLIE

Sketch Of The Life And Character Of Daniel Boone

Ian Pickup

Sketch Of The Life And Character Of Daniel Boone:

Sketch of the Life and Character of Daniel Boone Peter Houston, Ted Franklin Belue, 1997-04-01 Filled with vivid details of Boone's exploits in Kentucky as well as precise descriptions of the dress, religion, and language of early Americana

Daniel Boone and Others on the Kentucky Frontier Darren R. Reid, 2009-08-11 This is a collection of first-hand accounts that illuminate life on America's trans-Appalachian frontier. The voices range from the legendary Daniel Boone here in its entirety is Boone's autobiography to a wide array of ordinary settlers, and many of the stories are published here for the first time. Also included are historical and analytical essays that give context to each story and numerous maps and illustrations.

The Biography Book Daniel S. Burt, 2001-02-28 From Marilyn to Mussolini, people captivate people. A.E.'s Biography best-selling autobiographies and biographical novels testify to the popularity of the genre. But where does one begin? Collected here are descriptions and evaluations of over 10,000 biographical works, including books of fact and fiction, biographies for young readers, and documentaries and movies, all based on the lives of over 500 historical figures, from scientists and writers to political and military leaders to artists and musicians. Each entry includes a brief profile, autobiographical and primary sources, and recommended works. Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title, helping readers to find the best biographical material available on hundreds of fascinating individuals.

The 17th and 18th Centuries Frank N. Magill, 2013-09-13 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history. This is not a who's who. Instead, each entry provides an in-depth essay on the life and career of the individual concerned. Essays commence with a quick reference section that provides basic facts on the individual's life and achievements. The extended biography places the life and works of the individual within an historical context, and the summary at the end of each essay provides a synopsis of the individual's place in history. All entries conclude with a fully annotated bibliography.

The Human Tradition in the American Revolution Nancy L. Rhoden, Ian K. Steele, 2000-01-01 This collection of 17 biographies provides a unique opportunity for the reader to go beyond the popular heroes of the American Revolution and discover the diverse populace that inhabited the colonies during this pivotal point in history.

A Familiar Wilderness Simon J. Dahlman, 2024-01-12 In 1775, renowned pioneer Daniel Boone was commissioned to blaze a road through the Appalachian and Cumberland Plateau regions as a fledgling American nation steadily pushed westward. What would come to be known as the Wilderness Road was the first major route into the West, and it allowed settlers to migrate northwest into Kentucky and later settle parts of Ohio, Indiana, and Illinois. In 2012, Jim Dahlman stopped to stretch his legs on a brief hike into the Cumberland Gap and stumbled upon an adventure. After months of preparation, Dahlman grabbed a pack and set out to hike as accurately as possible Daniel Boone's original trace. In *A Familiar Wilderness*, Dahlman illustrates that the Wilderness Road is more than an old track through Appalachia. Many of the towns grew up along Boone's original footpath.

and people in these areas can draw direct connections to Boone himself or to other early settlers who traversed this trans Appalachian route Dahlman uses these and other encounters to uncover the history of the Wilderness Road and show how we are all a product of our past The hospitality of strangers becomes especially instrumental in making Dahlman s hike come alive Robert one such stranger offers to personally guide Dahlman over Powell Mountain As they make their ascent Robert provides a splendid view of the mountain blending careful observation of their surroundings with deep knowledge of the place A finale to Dahlman s almost 300 mile hike occurs on Hackberry Ridge overlooking Fort Boonesborough State Park a fitting tribute to Boone s own arrival on the ridge famously overlooking a herd of buffalo A Familiar Wilderness takes readers on a winding path where geography history and local memory intersect with daily life and Dahlman s lively writing sensitive to every detail will bring readers into thrilling touch with a past that still shapes and challenges the present

Frontiersman Meredith Mason Brown, 2008-09-15 The name Daniel Boone conjures up the image of an illiterate coonskin cap wearing patriot who settled Kentucky and killed countless Indians The scarcity of surviving autobiographical material has allowed tellers of his story to fashion a Boone of their own liking and his myth has evolved in countless stories biographies novels poems and paintings In this welcome book Meredith Mason Brown separates the real Daniel Boone from the many fables that surround him revealing a man far more complex and far more interesting than his legend Brown traces Boone s life from his Pennsylvania childhood to his experiences in the militia and his rise as an unexcelled woodsman explorer and backcountry leader In the process we meet the authentic Boone he didn t wear coonskin caps he read and wrote better than many frontiersmen he was not the first to settle Kentucky he took no pleasure in killing Indians At once a loner and a leader a Quaker who became a skilled frontier fighter Boone is a study in contradictions Devoted to his wife and children he nevertheless embarked on long hunts that could keep him from home for two years or more A captain in colonial Virginia s militia Boone later fought against the British and their Indian allies in the Revolutionary War before he moved to Missouri when it was still Spanish territory and became a Spanish civil servant Boone did indeed kill Indians during the bloody fighting for Kentucky but he also respected Indians became the adopted son of a Shawnee chief and formed lasting friendships with many Shawnees who once held him captive During Boone s lifetime 1734 1820 America evolved from a group of colonies with fewer than a million inhabitants clustered along the Atlantic Coast to an independent nation of close to ten million reaching well beyond the Mississippi River Frontiersman is the first biography to explore Boone s crucial role in that transformation Hundreds of thousands of settlers entered Kentucky on the road that Boone and his axemen blazed from the Cumberland Gap to the Kentucky River Boone s leadership in the defense of Boonesborough during a sustained Indian attack in 1778 was instrumental in preventing white settlers from fleeing Kentucky during the bloody years of the Revolution And Boone s move to Missouri in 1799 and his exploration up the Missouri River helped encourage a flood of settlers into that region Through his colorful chronicle of Boone s experiences Brown paints a rich portrayal of colonial and Revolutionary

America the relations between whites and Indians the opening and settling of the Old West and the birth of the American national identity Supported with copious maps illustrations endnotes and a detailed chronology of Boone s life *Frontiersman* provides a fresh and accurate rendering of a man most people know only as a folk hero and of the nation that has mythologized him for over two centuries **Historical Sketches of North Carolina** John Hill Wheeler,1851 *Richard McNemar* Christian Goodwillie,2023-03-07 The first biography of a key and complex American religious figure of the nineteenth century considered by many to be the father of Shaker literature Richard McNemar 1770 1839 led a remarkable life replete with twists and turns that influenced American religions in many ways during the early nineteenth century Beginning as a Presbyterian minister in the Midwest he took his preaching and the practice of his congregation in a radically different evangelical free will direction during the Kentucky Revival A cornerstone of his New Light church in Ohio was spontaneous physical movement and exhortations After Shaker missionaries arrived McNemar converted and soon played a prominent role in expanding and raising public awareness of their religion by founding Shaker communities in the Midwest becoming the first Shaker published author and the most prolific composer of Shaker hymns Split between two opposing religious traditions an evangelical movement attracting tens of thousands and Shakerism which drew only hundreds to its villages Richard McNemar s life poses a challenge for any biographer Christian Goodwillie s mastery of the archival records surrounding McNemar and the Shakers allows him to tell McNemar s story in a way that fully captures the complexity of the man and the scope of his enduring legacy in American religious history **Daniel Boone: The Pioneer of Kentucky** John S. C. Abbott,2022-06-13 In *Daniel Boone The Pioneer of Kentucky* John S C Abbott vividly chronicles the life and adventures of one of America s most iconic frontiersmen Abbott employs a narrative style that seamlessly blends historical fact with engaging storytelling bringing to life the trials and triumphs of Boone as he navigates the uncharted wilderness of Kentucky The work is positioned within the context of 19th century American literature a period characterized by romanticized depictions of exploration and the spirit of Manifest Destiny showcasing Boone as a symbol of American resilience and pioneering spirit John S C Abbott was an eminent historian and biographer whose fascination with American history and its key figures significantly influenced his writings His background as a teacher and author along with his commitment to presenting history in an accessible manner allowed him to craft a compelling portrait of Boone that resonates with both historical accuracy and narrative excitement Abbott s deep admiration for Boone s pioneering exploits reflects a broader cultural appreciation for the adventurous spirit that defined America s westward expansion This book is highly recommended for readers interested in American history particularly the frontier era Abbott s engaging prose and detailed research not only illuminate Boone s significant role in shaping Kentucky but also provide valuable insights into the broader themes of exploration settlement and American identity Enriched by vivid descriptions and an authentic portrayal of its hero this biography serves as both an educational resource and an entertaining account of America s pioneering past

Sketch Of The Life And Character Of Daniel Boone Book Review: Unveiling the Power of Words
