which are at once wildly ambitious and as casual as can be Whether discussing Enrico Caruso's nervousness on stage with opera diva Edith Mason or the Beatles 1966 encounter in London with revered Indian sitar player Ravi Shankar Terkel's singular gift for bringing his subjects to life in their own words should strike a chord with any music fan old enough to have replaced a worn out record needle The New York Times Whether diva or dustbowl balladeer Studs treats them all alike with deep knowledge and an intimate conversational approach as this often remarkable book shows Studs Terkel has remained mesmerized by great music throughout his life The Guardian Terkel's expertise is evident on every page whether debating the harmonic structure of the spirituals or discerning the subtleties of Keith Jarrett's piano technique As ever he is the most skillful of interviewers The Independent What makes And They All Sang a rousing success isn't just Terkel's phenomenal range and broad knowledge it's his passionate love of the music and his deep humanity San Francisco Chronicle
