Outlaws Inc Matt Potter,2011 True crime **Smuggler Nation** Peter Andreas,2013-01-16 America is a smuggler nation Our long history of illicit imports has ranged from West Indies molasses and Dutch gunpowder in the 18th century to British industrial technologies and African slaves in the 19th century to French condoms and Canadian booze in the early 20th century to Mexican workers and Colombian cocaine in the modern era Contraband capitalism it turns out has been an integral part of American capitalism Providing a sweeping narrative history from colonial times to the present Smuggler Nation is the first book to retell the story of America and of its engagement with its neighbors and the rest of the world as a series of highly contentious battles over clandestine commerce As Peter Andreas demonstrates in this provocative and fascinating account smuggling has played a pivotal and too often overlooked role in America's birth westward expansion and economic development while anti smuggling campaigns have dramatically enhanced the federal government's policing powers The great irony Andreas tells us is that a country that was born and grew up through smuggling is today the world's leading anti smuggling crusader In tracing America's long and often tortuous relationship with the murky underworld of smuggling Andreas provides a much needed antidote to today's hyperbolic depictions of out of control borders and growing global crime threats Urgent calls by politicians and pundits to regain control of the nation's borders suffer from a severe case of historical amnesia nostalgically implying that they were ever actually under control This is pure mythology says Andreas For better and for worse America's borders have always been highly porous Far from being a new and unprecedented danger to America the illicit underside of globalization is actually an old American tradition As Andreas shows it goes back not just decades but centuries And its impact has been decidedly double edged not only subverting U S laws but also helping to fuel America's evolution from a remote British colony to the world's pre eminent superpower **The Smuggler** George Payne Rainsford James,1847 *The Cheerful Smugglers* Ellis Parker Butler,1908 **Smuggler's Notch** Joseph Koenig,1989 Suspense riveting gritty cinematic thriller by the author of *F loater* and *L ittle Odessa* **The Smugglers' Cave** George A.
