Small House Designs:

The Big Book of Small House Designs Kenneth R. Tremblay, 2004 Presents floor plans section drawings elevations and perspectives for seventy five small houses of various styles most of which incorporate some energy saving feature selected from several competitions among architects and designers

New Compact House Designs Don Metz, 1991-01 Houses of the future will be smaller more energy efficient and better suited to their environments And intelligent design solutions can help expand the scope and livability of a compact house making it elegant as well as practical In 1990 Storey Communications sponsored the Compact House Design Competition a juried contest open to architects designers and architecture students From the numerous entries that were received from all over North America professional architects Don Metz and Peter Woerner selected the best and most innovative designs to include in New Compact House Designs Although the top three designs received cash awards all 27 of the designs in this book are winners and each design illustrates a classic or contemporary approach to living gracefully in a small house The basic guidelines were clear design a single family house with a minimum of two bedrooms whose gross floor area does not exceed 1 250 square feet Aside from these stipulations almost anything went and the broad spectrum of designs included in this book reflects the geographical and stylistic diversity of the winning entries from a classic New England farmhouse to a sophisticated postmodern design from a New Mexican desert hacienda to a fanciful house with Elizabethan overtones The perfect idea book for current and future homeowners New Compact House Designs will also appeal to anyone interested in architectural design Each entry included in the book features a site drawing floor plans elevation and section drawings judges comments and a complete description of the project Addresses for architects and designers are also provided for readers interested in obtaining scale plans or more information on any particular house
