Town Bound John Clayton,1996 Describes the advantages of living in a small town and discusses cost of living job opportunities and becoming part of a new community **Habits of the Heartland** Lyn C. Macgregor,2013-09-15 Although most Americans no longer live in small towns images of small town life and particularly of the mutual support and neighborliness to be found in such places remain powerful in our culture In *Habits of the Heartland* Lyn C Macgregor investigates how the residents of Viroqua Wisconsin population 4 355 create a small town community together Macgregor lived in Viroqua for nearly two years During that time she gathered data in public places attended meetings volunteered for civic organizations talked to residents in their workplaces and homes and worked as a bartender at the local American Legion post Viroqua has all the outward hallmarks of the idealized American town the kind of place where local merchants still occupy the shops on Main Street and everyone knows everyone else On closer examination one finds that the town contains three largely separate social groups Alternatives Main Streeters and Regulars These categories are not based on race or ethnic origins Rather social distinctions in Viroqua are based ultimately on residents ideas about what a community is and why it matters These ideas both reflect and shape their choices as consumers whether at the grocery store as parents of school age children or in the voting booth Living with and listening to the town s residents taught Macgregor that while traditional ideas about community especially as it was connected with living in a small town still provided an important organizing logic for peoples lives there were a variety of ways to understand and create community [The 100 Best Small Towns in America](#) Norman Crampton,1993 A nationwide guide to the best in small town living Cover subtitle [Small Town Dream](#) Andy LaPointe,2020-04-18 Are you tired of paying high taxes ridiculous parking fees wanting more social distancing having increased stress levels by living in the Big City If so this book is an absolute must If you are fed up with the problems of living in the big city this book is for you Within the next few minutes you ll find hidden gems of knowledge and wisdom that will change your life forever But before you go any further ask yourself the following questions Is living in the big city getting to expensive parking fees taxes cost of food etc Is living in the big city increasing your stress level Is living in the big city ruining your health Do you fear for your personal safety and that of your spouse and or kids If you answered yes to any of these questions read on because I am going to share with you a story that made my wife and I run away from the big city literally Hello My name is Andy LaPointe I am the author of the book *Small Town Dream The Guide for Moving to a Small Town* I am also a licensed real estate agent The information contained in this one of a kind book explains how you can move your family from the stress and hassle of city living to a small town You can live your Small Town Dream starting today No matter where you live now or what your current financial situation is my book is packed with proven time tested strategies to move to a small town and enjoy the small town lifestyle I know what it is like to live in a big city all of the headaches the stress and the crime You see I grew up in a suburb of Detroit Michigan I lived only 9 miles outside of the City of Detroit but my job was 15 miles on the other side of the Motor City On many days because of the traffic jams car accidents and road
