Understanding the Women of Mozart's Operas Kristi Brown-Montesano, 2021-11-09

Is *The Marriage of Figaro* just about Figaro Is Don Giovanni's story the only one or even the most interesting one in the opera that bears his name For generations of critics historians and directors it's Mozart's men who have mattered most Too often the female characters have been understood from the male protagonist's point of view or simply reduced on stage and in print to paper cutouts from the age of the powdered wig and the tightly cinched corset It's time to give Mozart's women and Mozart's multi dimensional portrayals of feminine character their due In this lively book Kristi Brown Montesano offers a detailed exploration of the female roles in Mozart's four most frequently performed operas *Le nozze di Figaro* *Don Giovanni* *Cos fan tutte* and *Die Zauberflöte* Each chapter takes a close look at the music libretto text literary sources and historical factors that give shape to a character re evaluating common assumptions and proposing fresh interpretations Brown Montesano views each character as the subject of a story not merely the object of a hero's narrative or the stock figure of convention From amiable Zerlina to the awesome Queen of the Night to calculating Despina all of Mozart's women have something unique to say These readings also tackle provocative social political and cultural issues which are used in the operas to define positive and negative images of femininity revenge power seduction resistance autonomy sacrifice faithfulness class maternity and sisterhood Keenly aware of the historical gap between the origins of these works and contemporary culture Brown Montesano discusses how attitudes about such concepts past and current influence our appreciation of these fascinating representations of women

The Enlightened

Bracketologist Nigel Holmes, Richard Sandomir, Mark Reiter, 2008-12-09 Every March the NCAA men's basketball tournament blankets newspapers and the Internet and attracts millions of television viewers over the course of three weeks Will a perennial favorite like Duke win Or will it be a dark horse like Gonzaga The phenomenon known as March Madness galvanizes a nation of viewers as few other sports events can The reason Bracketology America eagerly watches as 64 teams become 32 then 16 then 8 then 4 then 2 and finally 1 Now it's time to use the same rigorous method for everything that really matters in culture people history the arts and more In *The Enlightened Bracketologist* the editors have organized the world's most haunting and maddeningly subjective questions into a scheme of binary pairings that finally reveal what is truly

the best in its class La Tache or Chateau Latour 1 Barry Bonds or Terrell Owens 2 Vissid arte or Dove Sono 3 OJ verdict or JFK assassination 4 Top of the world Ma or Nobody s perfect 5 Two by two The Enlightened Bracketologist pits our cultural mainstays against each other only the finest survive Every double page spread of this book will contain a series of brackets compiled by experts and celebrities with text call outs that highlight the reason why one competitor moves on and another doesn t Already committed are Elvis Costello on popular songs David Bouley on cookbooks Leon Fleisher on piano music Rene Fleming on opera arias Henry Beard on French phrases Joseph Ward on wine Shrinking Violets and Caspar Milquetoasts Patricia McDaniel,2003-11 Since World War II Americans attitudes towards shyness have changed The women s movement and the sexual revolution raised questions about communication self expression intimacy and personality leading to new concerns about shyness At the same time the growth of psychotherapy and the mental health industry brought shyness to the attention of professionals who began to regard it as an illness in need of a cure But what is shyness How is it related to gender race and class identities And what does its stigmatization say about our culture In Shrinking Violets and Caspar Milquetoasts Patricia McDaniel tells the story of shyness Using popular self help books and magazine articles she shows how prevailing attitudes toward shyness frequently work to disempower women She draws on evidence as diverse as 1950s views of shyness as a womanly virtue to contemporary views of shyness as a barrier to intimacy to highlight how cultural standards governing shyness reproduce and maintain power differences between and among women and men

The Case for Falling in Love Mari Ruti,2011-02-01 Praise for The Case for Falling in Love Why play hard to get when you can just get what you want Mari Ruti s lively research from Plato to Freud to Gossip Girl to her own bedroom finally puts an end to playing games and provides a resource for lovers and the love scorned alike A must read for anyone who has ever fallen in love wants to or wants to know what went wrong Arianne Cohen creator of TheSexDiariesProject com At last a relationship advice book that will actually work If you re intelligent interested in love and like a book you can t put down this is it John Gray move over The brilliant Mari Ruti has arrived Juliet Schor professor of sociology Boston College and author of Born to Buy and Plenitude The New Economics of True Wealth Groundbreaking Ruti opens the eyes of her readers so that they can love better A must read Nancy Redd New York Times bestselling author of Body Drama Finally a book that takes love seriously Written with passion and verve I wish I had read this book years ago Sean Carroll author of From Eternity to Here The Quest for the Ultimate Theory of Time Are you tired of reading book after book and playing game after game trying to avoid heartbreak It seems impossible and maybe that s because you can t lock up your heart like that not if you want the real thing And maybe that s one of the best things about love We ve been thinking about it all wrong Our culture s insistence that women need to learn how to catch and keep a man is actually doing much more harm than good The more we try to manipulate our relationships the less we are truly able to experience love s benefits and wonders Love is a slippery unruly thing and trying to control and manage it robs us of its delicious unpredictability Sure letting go of the reins a bit might mean

a broken heart but heartbreak in fact offers a wealth of possibilities creativity wisdom and growth that we need in order to make the most of our lives Liberating for women who are frustrated by the idea that they just need to learn the right formula The Case for Falling in Love shows that there isn't a method to mastering the madness of love But that might be exactly what's so wonderful about it *Mastering Your Moods* Melvyn Kinder,1994 A program for understanding mood distress including depression anger and anxiety offers ways to achieve self acceptance through determining one's essential nature **Raising Sons and Loving It!** Gary Oliver,Carrie Oliver,2011-04-19 In these days of daunting headlines here's some really good news Your son was God's idea and you can help him weather the often rocky transition from boyhood to a manhood shaped by God's character and purposes Drawing from their extensive clinical and personal experience Gary and Carrie Oliver show you How boys really are different from girls Five keys to raising emotionally intelligent sons What your boys need from your marriage and from you How to help your sons cultivate a heart for God How to cultivate your sons ability to deal with failure loss and grief And much more *Success and Betrayal* Sarah Hardesty,Sarah Hardesty Bray,Nehama Jacobs,1987-11-15 From Simon Schuster Success and Betrayal offers the groundbreaking insight into the myth of the unlimited potential the mystique of power and the elusive path to the top In their hard hitting book two successful corporate managers describe a classic series of landings that women must confront both to thrive in the corporate environment and to achieve a guiltless balance between career and personal life **Any Woman's Blues** Erica Jong,2006-12-28 A tale of addiction and narcissism the twin obsessions of our age World famous folk singer Leila Sand emerged from the sixties and seventies with addictions to drugs and booze Leila's latest addiction is to a younger man who leaves her sexually ecstatic but emotionally bereft The orgasmic frenzies trump the betrayals so she keeps coming back for more Eventually Leila frees herself by learning the rules of love the Twelve Steps and the Key to Serenity in an odyssey that takes her from AA meetings to dens of sin parties with names worth dropping and unforgettable gondola rides Jong has given us a poignant exploration of life art and the complexities of womanhood **Mother Jones Magazine** ,1991-09 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues **Healing the Masculine Soul** Gordon Dalbey,2003-09-09 In his groundbreaking book fifteen years ago Gordon Dalbey identified the fact that men's souls have been torn between strength and sensitivity Today the situation is even worse The politically correct crowd cries out for men to be more sensitive to tame their masculine nature On the opposing side the media bombards men with macho images of violence and lust Is it any wonder men are left bewildered about who they should be In this newly revised and updated edition of Healing the Masculine Soul Dalbey claims that there's hope for restoration hope for healing because Christ has come to heal us God is calling men out to a relationship with Himself and calling them out to authentic manhood Our task is not to curse our manhood but to redeem it he writes Gordon Dalbey's refreshing comprehensive picture of God's design for the masculine soul dares men to be as God created them to be not as society
