Bubble Trouble Wendy Wan-Long Shang, 2023-07-18. Award-winning author Wendy Wan

Long Shang brews a frothy and bright story filled with humor and heart about friendship first crushes and finding one's own way in Bubble Trouble. How many problems can a delicious cup of bubble tea cause? Plenty if you're Chloe Wong. For starters, Chloe wants to go on the class trip to Broadway, an expense Chloe's not sure she and her dad can afford since her mom passed away, and those yummy cups of boba cost money. And then there's the fact that the incorrigible Henry Lee is the boba master at Tea Palace, and when he's not annoying Chloe, he's usually coming up with the perfect drink for every occasion. For Chloe, lover of neatness and control, the arrival of bubble tea is nothing but trouble. But bubble tea really wreaks havoc when Chloe finds herself banned from Tea Palace for dumping boba on someone who really deserved it. She comes up with the idea to make her own boba and sell it with the help of her best friend Sabrina, her inventor dad, and whether she wants it or not, her rescue dog. Suddenly, neatnik Chloe will have to contend with sticky drinks, the complications of running her own business, and maybe the messiness of admitting that she actually likes someone. Will Chloe be able to step out of the bubble she has built around herself and into an exciting new adventure to go along with her boba tea?

Lessons Bonnie Geisert, 2005. Following their infant son's sudden death, a farm couple is denied a Christian burial for him, and this secret continues to haunt the father after his second son is born.

The Bane of My Life - A Dad's Diary Darren Bane, 2018-02-05. Matthew was born three months early and spent the first six months of his life at St Michael's Hospital in Bristol, England, which specialises in caring for premature and critically ill newborns. This record of the emotional rollercoaster his parents experienced may give other parents of premature babies an idea of what to expect and to inspire them to find the strength to believe that where there's life, there's hope, because sometimes miracles do happen.

A Message to a Fatherless Generation Shafeeq Ameen PhD, 2020-07-08. With the devastating impact of absent fathers in the lives of their sons, Shafeeq Ameen takes a compelling look at the pathology of violent young men who are disrespectful of women and authority figures and juxtapose those images with a generation of fragile individuals desperate to reconnect with a missing part of themselves. After thirty years in the classroom, witnessing first-hand the destructive consequences of absent fathers in the lives of their sons, *A Message to a Fatherless Generation* addresses this issue head-on and gives researched-based solutions along with real-life scenarios to help shine a spotlight on a problem that is destroying the lives of young men who will always feel a sense of loss and insecurity without having an involved father back in their lives.

A Fraction of the Whole Steve Toltz, 2008-02-12. Meet the Deans. The fact is, the whole of Australia despises my father more than any other man, just as they adore my uncle more than any other man. I might as well set the story straight about both of them: Heroes or Criminals, Crackpots or Visionaries, Families or Enemies. Anyway, you know how it is. Every family has a story like this one. Most of his life, Jasper Dean couldn't decide whether to pity, hate, love, or murder his certifiably paranoid father, Martin, a man who overanalyzed anything and everything and imparted his self-garnered wisdom to his only son. But now that Martin is dead, Jasper can fully reflect on the crackpot who raised him in intellectual captivity and what he realizes is that for all its

lunacy theirs was a grand adventure As he recollects the events that led to his father s demise Jasper recounts a boyhood of outrageous schemes and shocking discoveries about his infamous outlaw uncle Terry his mysteriously absent European mother and Martin s constant losing battle to make a lasting mark on the world he so disdains It s a story that takes them from the Australian bush to the cafes of bohemian Paris from the Thai jungle to strip clubs asylums labyrinths and criminal lairs and from the highs of first love to the lows of failed ambition The result is a rollicking rollercoaster ride from obscurity to infamy and the moving memorable story of a father and son whose spiritual symmetry transcends all their many shortcomings A Fraction of the Whole is an uproarious indictment of the modern world and its mores and the epic debut of the blisteringly funny and talented Steve Toltz Promenade, All! David V. Robison,1971 The Only Good Indians Stephen Graham Jones,2025-09-30 Peter Straub s Ghost Story meets Liane Moriarty s Big Little Lies in this American Indian horror story of revenge on the Blackfeet Indian Reservation Four American Indian men from the Blackfeet Nation who were childhood friends find themselves in a desperate struggle for their lives against an entity that wants to exact revenge upon them for what they did during an elk hunt ten years earlier by killing them their families and friends
