Return to Fort Apache Tom Walker, 2011-06-21 More than thirty years ago Tom Walker published Fort Apache New York's Most Violent Precinct introducing the world to the 4 1 a South Bronx precinct that was home to more murders than the entire city of San Francisco To this day his story about life as police lieutenant in the 4 1 precinct remains the definitive account of the vicious cycle of violence that gripped urban America in the late twentieth century The battle between criminals and law enforcement did not end in 1971 but massive controversy over the book's publication precluded the release of a sequel until now With Return to Fort Apache Memoir of an NYPD Captain Walker finally tells the rest of his fascinating life story Return to Fort Apache was written to counter the prevailing politically correct opinion that the officers in Fort Apache used their weapons first and their wits last In addition Walker hopes to memorialize the courageous officers he served with in the 4 1 to remember forever their sacrifices their courage and their daily brushes with death and violence
