Arsenal Phil Soar, Martin Tyler, 1997 International Sport: A Bibliography, 1995-1999 Richard William Cox, 2004-04-22

There has been an explosion in the quantity of sports history literature published in recent years making it increasingly difficult to keep abreast of developments The annual number of publications has increased from around 250 to 1 000 a year over the last decade This is due in part to the fact that during the late 1980s and 90s many clubs leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements It is also the result of the growing popularity and realisation of the importance of sport history research within academe This international bibliography of books articles conference proceedings and essays in the English language is a one stop for the sports historian to know what is new *British Sport: Local histories* Richard William Cox, 2003 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian **British Sport - A Bibliography to 2000** Richard Cox, 2014-02-04 Volume two of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian *Terrace Heroes* Graham Kelly, 2005 This original book examines 1930s football in England in its social economic and political context by focusing on ten of the top players of the era It sheds light on the decade that saw players taking on a public persona as terrace heroes **A Football Compendium** Peter J. Seddon, Cynthia McKinley, British Library, 1999 This bibliography is an entertaining and knowledgeable tribute to the beautiful game The second edition features over 2000 new entries including greatly increased coverage of football films and music making over 7000 references to books and other items in total

The Premiership 2008-2009 , Beating Them at Their Own Game Patrick West,2006 Beating Them at Their Own Game charts how Irish players managers and business people have come to have a disproportionate influence on soccer in the UK An entertaining survey of the growing prominence of Irish figures from the post war period to the present day it chronicles the period of time in which soccer in Ireland has evolved from being derided as a foreign and essentially Anglo Saxon game that no true Irishman would play to a beloved sport that inspires almost religious following Not only have the Irish taken soccer to their heart they have taught the nation that gave the game the same nation that ruled them for 800 years how to play it From Pat Jennings to Martin O Neill Kevin Moran Frank Stapleton David O Leary Mick McCarthy to Niall Quinn and Roy and Robbie Keane in Beating Them at Their Own Game Patrick West documents how Irish players have in many ways changed and shaped English soccer over the last forty years Launched by former Republic Of Ireland manager Eoin Hand the book also deals with the success of Northern Irish players George Best Sammy McIlroy and Norman Whiteside the consummation of Ireland s ascendancy with their victory over England in the 1988 European Championships Tony Cascarino s admission that he is not Irish and the debates about how Irish the international team was and is and the way in which the favor has been returned with Jack Charlton and now Bobby Robson coaching the Irish side On another level it is a microcosm of how Ireland and Anglo Irish relations have changed in recent years how Ireland has become more multiracial and tolerant of foreign games and how the English have lost their ancient hostility towards the Irish and come to view them increasingly as allies and neighbors Although Patrick West is British he writes emphatically and flatteringly of his admiration of Irish sporting culture following a tradition of Bill Bryson on England and Pete McCarthy on Ireland Image courtesy of Fionnbar Callanan from his book A Sporting Eye
