The manual describes various kinds of demonic attacks and discusses the reasons to involve medical and mental health professionals. Providing practical guidance for the deliverance ministry, it includes diagnostic procedures, insight into the makeup and training of a ministry team, the appropriate use of liturgies, pastoral care for victims and deliverance ministers, and legal considerations. The book devotes special attention to exorcisms, emphasizing the importance of a teamwork approach and the necessity of thorough preparedness, including an awareness of different strategies which demons may use to thwart exorcists. Rounding out the manual is a series of accessible biblical step by step instructions to assist ministers in helping others find freedom in Christ from demonic attacks. A Minister's Manual for Spiritual Warfare is a must have for any Christian minister involved in deliverance ministry.

This book offers fresh insight into the enduring cultural and religious significance of spirit possession. It will be an important resource for scholars from a diverse range of disciplines, including religion, anthropology, history, linguistics, and philosophy.
