Where the Moon Keeps Her Heart Isa Ingram, Noelle Ingram, 2025-09-16 Fj rna is shy quiet sensitive She is different She tucks into the spaces inside herself and in the woods to breathe And yet she is stronger than she has any idea She has a kind of magic that is subtle and so powerful it will strike fear in those around her but she does not know it yet And doesn't magic always strike fear in those who need to understand their world and to control it Fj rna has a voice a fire blazing in her heart to honor and protect her kind but she doesn't know that yet either All Fj rna knows is the rolling hills and vast orchards of the farm and the little horseshoe town by the sea she calls home The only home she has ever known Fj rna has a secret It is in the very fabric of her being and once she discovers it she cannot unsee she cannot unknow She cannot go back to that quiet girl by the sea Fj rna does not long for great battles and great adventure But great adventure will find her Fj rna cannot know she has a destiny She is too busy trying to find the words with which to share her heart or being conscious of all the ways she is different Could a simple quiet girl be the answer to the question asked on the wind in the trees in the silent confused places in the hearts of all people When Fj rna finds her magic and opens her heart the world will change subtly at first and then with a force no one sees coming least of all her And Fj rna will learn that what makes her different may be the only hope for her kingdom

SOME ADULTS USE THEIR HEAD AND CHILDREN USE THEIR HEART DUANE THE GREAT WRITER, 2014-07-25 In a world that has been so over educated it becomes rather difficult for people to See Beyond this Created World of such a Matrix Design So much of what we are experiencing here has nothing to do with The Natural Environment that supports ALL of US A person can talk about how they love things but it all becomes

Real when they Do Something Wonderful with ALL This world is being purposely brainwashed to agree to its own demise and at the same time many are convinced that it is for the good of everyone This is how deranged the Social Structures and that of Politics and Religion have become It has become common place to agree to all the insanity people have created for themselves When we look at Children and the creatures with The Natural Environment we do not see the same results taking place as with the overly created things that we now have to deal It is time to See as Children See from Your Heart Your Being moreso than just Your Mind [www DuaneTheGreatWriter info](http://www.DuaneTheGreatWriter.info)
