The Heretic's Handbook of Quotations Charles Bufe, 1988

A Handbook of Quotations for Heretics Gordon Press Publishers, 1991-07 Leaving The Fold Edward T.

Babinski, 2003-06-30 This riveting new collection offers testimonies of former fundamentalists who became disillusioned with their churches and left Presenting more than two dozen personal journeys this book gives a clear picture of what attracts a person to the fundamentalist faith and what can drive believers away from their religion Photos throughout *Familiar*

Words: an Index Verborum Or Quotation Handbook, with Parallel Passages, Or Phrases which Have Become Embedded in Our English Tongue James Hain Friswell, 1889

Handbook to the Textual Criticism of the New Testament Sir

Frederic George Kenyon, 1901

The Heretic's Guide to Doctrine Daboniel Hereticus, 2020-03-19 This book is intended

to open Christians minds up to other Christians and to help improve dialog between them It deals with where a lot of them are coming from doctrinally and the problems to be dealt with on both sides There is a core to all true Christians that should bind us but we cannot do that as long as we cannot be open with our differences and open minded enough to understand why some people believe what they do Mature Christians should be able to talk about the elephant in the room I am of the firm belief that if everybody was coming from the Bible with what they believed we would have a lot more agreement And the world would hate us all the more I certainly do not expect every Christian to agree with me on everything It is not for nothing I call myself Hereticus

The Oxford Handbook of the Pelagian Controversy, 2025-06-21 The Oxford Handbook of the Pelagian Controversy delves into the heart of one of Christianity's earliest and most profound theological disputes The Pelagian controversy characterized by fierce debates on topics such as original sin grace and predestination was a pivotal moment in the development of Christian doctrine during the early fifth century unfolding across continents and involving influential figures like Augustine of Hippo Pelagius Caelestius and Julian of Aeclanum Beyond a mere theological and ecclesiastical debate Pelagianism was an historical event which had far reaching consequences even influencing imperial decisions and shaping later evolutions in the West theologically philosophically but also politically and historically While shedding light on the historical intricacies of the Pelagian controversy this Handbook also explores its enduring legacy The discussions surrounding human autonomy sexuality and human limitations continue to shape contemporary theological and ethical discussions With a strong emphasis on methodological precision this comprehensive volume offers a balanced view of the Pelagian controversy avoiding oversimplification highlighting the importance of lost sources and the contributions of

lesser known figures and uncovering the reception history of the controversy through the centuries This Handbook is an indispensable resource for scholars and students interested in the history of the West and of Christianity particularly concerning the profound philosophical and theological questions that continue to influence our modern culture *The Oxford Handbook of Early Christian Apocrypha* Joseph Verheyden, 2015-08-13 The Oxford Handbook of Early Christian Apocrypha addresses issues and themes that arise in the study of early Christian apocryphal literature It discusses key texts including the Gospel of Thomas the Gospel of Mary the Gospel of Peter letters attributed to Paul Peter and Jesus and acts and apocalypses written about or attributed to different apostles Part One consists of authoritative surveys of the main branches of apocryphal literature gospels acts epistles apocalypses and related literature and Part Two considers key issues that they raise These include their contribution to our understanding of developing theological understandings of Jesus the apostles and other important figures such as Mary It also addresses the value of these texts as potential sources for knowledge of the historical Jesus and for debates about Jewish Christian relations the practice of Christian worship and developing understandings of asceticism gender and sexuality etc The volume also considers questions such as which ancient readers read early Christian apocrypha their place in Christian spirituality and their place in contemporary popular culture and contemporary theological discourse For Faith and Freedom Charles A. Howe, 1997 Untangling Polish Transylvanian and English Unitarianism is a challenge even for the serious student Charles Howe s lucid account reclaims for modern readers the heroic martyrdom of Michael Servetus the humane leadership of Faustus Socinus the eloquent conviction of Francis David and the literary genius of Harriet Martineau
