The Hero Bloomfield:

Refiguring the Hero Dian Fox, 2010-11-01 *Virtues and Passions in Literature* Anna-Teresa Tymieniecka, 2007-11-10
The Human Condition prompts our creative strivings beyond the natural round of life toward outstanding achievements This book explains how the emergence of Human Condition lifts natural endowment of the individual to the level of excellence It shows how natural forces and promptings of life transmute through creative Human Condition subliminal passions of the soul into innumerable streaks of spiritual significance **Early Yiddish Epic** Jerold C. Frakes, 2014-07-07 Unlike most other ancient European Near Eastern and Mediterranean civilizations Jewish culture surprisingly developed no early epic tradition while the Bible comprises a broad range of literary genres epic is not among them Not until the late medieval period Beginning in the fourteenth century did an extensive and thriving epic tradition emerge in Yiddish Among the few dozen extant early epics there are several masterpieces of which ten are translated into English in this volume Divided between the religious and the secular the book includes eight epics presented in their entirety an illustrative excerpt from another epic and a brief heroic prose tale These texts have been chosen as the best and the most interesting representatives of the genre in terms of cultural history and literary quality the pious epicizing of biblical narrative the swashbuckling medieval courtly epic Arthurian romance heroic vignettes intellectual high art and popular camp **The Marvellous Mania** Alistair Cooke, 2008-10-02 Although Alistair Cooke called golf a method of self torture disguised as a game from the first time he swung a club at the age of fifty five he was hooked for the rest of his life This book brings together the best of Cooke s writings about his greatest sporting passion which display the incomparable wit the unexpected insights the mischievous charm the elegance and enchantment which made him famous for over sixty years as a broadcaster Whether he is writing about the pleasures of a bout in the snow how the senior golfer secretly disguises their ageing swing Arnold Palmer playing in 102 degree heat in San Antonio dapper Gary Player winning the U S Open at Creve Coeur Missouri or Jack Nicklaus playing and winning almost anywhere not to mention a surprising and persistent tendresse for Raquel Welch Alistair Cooke on his favourite sport is a rare and constant pleasure *Myths, Legends, and Heroes* John McKinnell, 2011-01-01 In *Myths Legends and Heroes* editor Daniel Anzelark has brought together scholars of Old Norse Icelandic and Old English literature to explore the translation and transmission of Norse myth the use of literature in society and authorial self reflection the place of myth in the expression of family relationships and recurrent motifs in Northern literature The essays in *Myths Legends and Heroes* include an examination of the theme of sibling rivalry an analysis of Christ s unusual ride into hell as found in both Old Norse and Old English a discussion of Beowulf s swimming prowess and an analysis of the poetry in Snorri Sturluson s Edda A tribute to Durham University professor John McKinnell s distinguished contributions to the field this volume offers new insights in light of linguistic and archaeological evidence and a broad range of study with regard to both chronology and methodology *Pradyumna* Christopher R. Austin, 2019-09-04 This book examines an important figure of

Hindu mythology and literature who until now has been almost entirely ignored by scholars of Indian religion Pradyumna the son of the Hindu god Krsna Pradyumna Lover Magician and Scion of the Avatara assembles the most important narratives of this character offering a long view analysis of his evolving mythology over the period 300 1300 CE *Psychological Constructs and the Craft of African Fiction of Yesteryears* Linus Tongwo Asong,2012 The novel remains the most popular genre in the African literary landscape In the very large body of criticism that has been devoted to the craft of African fiction this very stimulating study of six African novels will hold its own distinctive place for a long while It brings to African critical thought not only an exceptional acumen of interpretation and analysis but something much more important to most of the previous serious literary study than mere technical dissection a keen sense of the experience and imaginative truth that make Asong s selected African texts living books as well as authentic record of human and moral values Many of Asong s perceptions are not only critically shrewd but humanly searching alert to aesthetic quality and invention No one interested in creative criticism of African fiction will read this book without finding its approach a challenge to his or her own reading of African fiction and a stimulus to understanding the growth and enduring richness of the best of the African novel The book balances nicely in its choice of three texts in English and three in French the two dominant colonial languages in Africa South of the Sahara Even more interesting is the fact that although all the French texts have been translated into English Asong opts to treat the three in the original language in which they were conceived and executed a decision which keeps the reader as close as possible to the original idiom *Name, Hero, Icon* Anna Makolkin,2019-07-22 No detailed description available for Name Hero Icon **A Hero's Many Faces** T. Schult,2009-04-08 Raoul Wallenberg is remembered for his humanitarian activity on behalf of the Hungarian Jews at the end of World War II and as the Swedish diplomat who disappeared into the Soviet Gulag in 1945 This book examines how thirty one Wallenberg monuments in twelve countries on five continents commemorate the man **Screen World Presents the Encyclopedia of Hollywood Film Actors: From the silent era to 1965** Barry Monush,2003 Applause Books For decades Screen World has been the film professional s as well as the film buff s favorite and indispensable annual screen resource full of all the necessary statistics and facts Now Screen World editor Barry Monush has compiled another comprehensive work for every film lover s library In the first of two volumes this book chronicles the careers of every significant film actor from the earliest silent screen stars Chaplin Pickford Fairbanks to the mid 1960s when the old studio and star systems came crashing down Each listing includes a brief biography photos from the famed Screen World archives with many rare shots vital statistics a comprehensive filmography and an informed entertaining assessment of each actor s contributions good or bad In addition to every major player Monush includes the legions of unjustly neglected troupers of yesteryear The result is a rarity an invaluable reference tool that s as much fun to read as a scandal sheet It pulsates with all the scandal glamour oddity and glory that was the lifeblood of its subjects Contains over 1 000 photos
