Fife, 2003-07-01 There are divine moments in life when you turn a corner and are astounded by unexpected breathtaking vistas that you never imagined Suddenly your world is changed forever You have entered a supernatural realm an eternal dimension where Jesus is Lord and creation itself shouts His glory The brilliantly illuminating revelation in The Hidden Kingdom will catapult you into such an experience Embark on a voyage of discovery into the mystery of God s timeless realm If you want an empowered life if you dare to engage in a life changing adventure this book will lead you on a journey into the heart of God **The Hidden Keys in the Bible 2** Vernon Atkins, 2024-02-12 Why is it so hard to find God Or should I say Why is it so hard for God to find you There are Those who say I Read the Bible often But Can t Understand it So I Quickly Lose Interest in it Then I find myself Seeking a Church and a Man of God to help me get closer to God This after a while did not do it for me So I left the Church feelings even more depressed than before Is it really that hard to make a Connection with our God I been told by others that he said that he love all and wishing that none should perish Well why is it so hard to find him if he love us Is our God speaking out of both sides of his mouth I mean he did say it is impossible for him to lie He also said what comes out of my mouth can t return void it that is the case then you need took at your self and at your attempts to see what you are doing wrong less Review You first Started Reading the Bible How much time did you spend reading the Bible once a week every other month are just doing hollow days did I give up my friends who were still involved in daily activities that goes against the Laws and Commandments of God Did you give up going to places that God would disapproval like bars nightclubs where you find half naked woman s sliding down a pole How about going out gambling looking at trying to get rich and then becoming hooked spending money you don t have money that could have been spent on other things your kids bills Now can you see why it was so hard to understand the Bible Could it be that you are not given your all Less now put you on the right track God says seek him first and all things will be added all you need to

do is to knock. Asked and Seek, the door will be opened. Next you say that you went as far as attending a church and a minister to bring you closer to God. Let me say this: all ministers are not called by God. In other words, it is just as bad to hear the words of God from one who is not called to lead you even further from the truth. It is like the blind leading the blind, and they both fall into a ditch. One sure way to know that you have made a connection with God is when you seek him daily, reading his words for yourself and keeping all of his Laws and Commandments by you doing this, you show Him that you are truly sincere about knowing him. This is when God releases His Spirit of understanding to your mind, but in small portions, and the more you read his words, the more knowledge is revealed. Martin Luther's Hidden God Timothy Scott

Landrum, 2022-04-05 The presence of evil in a world said by God to be good is perhaps humanity's most vexing challenge. Where is God in all this? This is a universal cry. The answers are as numerous and varied as those offering them, but little is accomplished; it seems to ease the pain of a God who doesn't behave according to law, logic, or rationale. Into this melee, Martin Luther waded with his distinction between God preached and God not preached, and hiding. Though not always appreciated, Luther's thought speaks to the various dimensions of the problem and proclaims a definitive answer. Martin Luther's *Hidden God* traces the origins of Luther's thought on the matter, explores how his teaching complements and conflicts with the teaching offered by certain post-Reformation Lutheran theologians and philosophers of religion, before distilling his thought into a preliminary apologetic for the problem of evil and divine hiddenness that spans the breadth of the issue from a uniquely Lutheran perspective. *Hanging by a Promise* Joshua C. Miller, 2015-02-13 Oswald Bayer is one of the most important contemporary interpreters of Martin Luther and confessional Lutheran theologians. As a Luther scholar, Bayer has identified the precise reformational turning point in Luther's life and theology, which is also the central point for a truly Lutheran theology: the promise of a forgiving and justifying God preached in Jesus Christ. As a Lutheran theologian, Bayer stresses that this promise of God is the ultimate subject matter of all theology, and that all other theological topics have the justifying promise of God as their basis and boundary. *Hanging by a Promise* investigates how Bayer addresses Luther's topic of the hidden God, a God of wrath who accomplishes everything from the standpoint of the justifying promise of God. Luther's doctrine of the hidden God has been taken up, discussed, and interpreted by many in the modern Protestant theological tradition. Yet Bayer addresses it in a way in which others before him have not. Going beyond interpretation and evaluation, Bayer actually makes use of Luther's hidden God in his own theology. For Bayer, the hidden God is the counterpoint to God's gracious promise given in the preached Christ, a counterpoint that brings serious tension into the very heart of theology.
