beautiful Studio 54 was a place where almost nothing was taboo from nonstop dancing and drinking beneath the coke dusted neon moon to drugs and sex in the infamous unisex restrooms to the outrageous money skimming activities taking place in the office of the studio's flamboyant co-owner Steve Rubell. Author Anthony Haden Guest was there on opening night in 1977 and over the next decade spent many late nights and early mornings basking in the strobe lit wonder. But *The Last Party* is much more than a fascinating account of the scandals, celebrities' crimes and extreme excesses encouraged within the notorious Manhattan nightspot. Haden Guest brings an entire era of big city glitz and unabashed hedonism to breathtaking life, recalling a vibrant New York night world at once exhilarating and dangerous before the terrible sobering dawn of the age of AIDS.

**Members Only** Diana Kendall, 2008-06-25 In *Members Only* Diana Kendall shows how the upper classes use exclusive clubs as their private domain for conducting business, fostering social networks and launching the next generation of elites all beyond the view of outsiders and the media. In her research, Kendall explains how and why club members routinely engage in exclusionary practices that help them accumulate personal power and social capital that is unavailable to outsiders. *Members Only* addresses how exclusive private clubs maintain and perpetuate class-based privilege and racial, ethnic and religious segregation and how such patterns of social exclusion heighten social inequality. This book continues Kendall's study of the upper classes which began with *The Power of Good Deeds* and *Framing Class*.  
**To Die in Chicago** Nadja Tesich, 2010-08-24 NADJA TESICH *TO DIE IN CHICAGO* With a gritty and elegiac precision, Nadja Tesich brings vividly to life the immigrant experience in East Chicago. With quicksilver wit, the story of a young girl crossing the threshold to womanhood unfolds as she learns the bitter trade-off between what is irretrievably lost and what is gained as she and her family confront the grim reality of living the American dream.  
**Charles Ruas** Author of *Conversations with American Writers* Praise for *To Die in Chicago* As seen through the eyes of an innocent and idealistic 16-year-old immigrant girl from Yugoslavia, a tale of disillusionment, struggle and resistance in the American heartland of the 1950s. Beautifully told, deeply felt.  
**Artist and Writer Rebecca Clare** This book surpasses Nadja Tesich's previous brilliant works *Shadow*, *Partisan* and *Native Land*. She is an interesting literary treasure.  
**Laura Shane Cunningham** author of *Sleeping Arrangements* Praise for Nadja Tesich and *Native Land* A vivid, engrossing work of memory and observation. The honesty of the girl's perceptions, particularly those around issues of politics and womanliness, make the writing all the more sympathetic.

**Wayward Angel** George Wether, Vincent Colnett, 2008-10-14 We all know about the Hells Angels' toughs on Harleys, terrorizing the law-abiding, wild brawls and wild sex, drugs and cruelty, beatings and even murder. But nobody really knows what it's like to be an Angel, except an Angel. In this classic of Hells Angels literature, to be read alongside the works of Hunter S. Thompson and Sonny Barger, George Wether, for many years the vice president of the Oakland Chapter, tells it like it is. Until he found himself in reluctant service to the courts, Wether was the quintessential Angel. One of the West Coast's top drug dealers, he was a man who loved bikes, fights, women and drugs; a man who knew the deepest secrets of Angel life. Arrested, strung out in

despair he bought a precarious freedom by testifying in major trials against Angels members and then disappeared into the witness protection program *A Wayward Angel* is a powerful book a not for the squeamish portrait of the drug scene and the alienation from modern life in late twentieth century California We witness killings million dollar drug deals and orgy laced picnics This is a story uniquely American And it is a terrifying tale because it s real **The Unofficial Guide to the Disney Cruise Line 2023** Erin Foster, Len Testa, Ritchey Halphen, 2022-12-06 Save time and money with in depth reviews ratings and details from the trusted source for a successful Disney Cruise Line vacation Planning a Disney Cruise Line DCL trip is a big deal It s too important to be left to chance so put the best selling independent guidebook to the DCL in your hands and take control of your vacation Make every minute and every dollar count with this no nonsense consumer oriented guide to the best and worst of Disney s ships and itineraries The Unofficial Guide to the Disney Cruise Line 2023 explains how the DCL works and how to use that knowledge to stay ahead of the crowd Authors Erin Foster Len Testa and Ritchey Halphen know that you want your vacation to be anything but average so they employ an expert team of researchers to find the secrets the shortcuts and the bargains that are sure to make your vacation exceptional Find out what s available in every category ranked from best to worst and get detailed plans to make the most of your time on and off your cruise ship Choose the right stateroom eat at the best restaurants find top notch children s activities and experience all the can t miss excursions including those offered at Castaway Cay one of the best vacation islands in the Caribbean The guide also provides full coverage of the Disney run European river cruises and includes itinerary and port guides Stay in the know on the latest updates and changes on the DCL Here s what s NEW in the 2023 book Take in advice for first time cruisers money saving strategies packing tips and other pre trip preparation preferred ships and itineraries and how to hit the deck running your first day onboard Utilize suggestions for deciding whether a Disney cruise or a Walt Disney World vacation is the better choice for your family Find out the scoop on different stateroom types and how to choose the best room for your needs Get updates on COVID era booking boarding and onboard procedures Read detailed descriptions of DCL s ports of call around the world Learn about Castaway Cay DCL s private Bahamian island Get complete coverage and unbiased opinions about the newest ship the Wish Uncover news about the development of DCL s sixth and seventh ships and Disney s second private island Enjoy discussion of Adventures by Disney river cruises and how they compare with DCL cruises Make the right choices to give your family a vacation they ll never forget The Unofficial Guide to the Disney Cruise Line 2023 is your key to planning a perfect stay Whether you re putting together your annual trip or preparing for your first visit this book gives you the insider scoop on staterooms dining children s activities shopping entertainment and more Child-welfare Magazine ,1920

Finish High School at Home Charles Clark, 2000-03 The 60s have flickered into the 70s and hippie influences have trickled down to the high school A charismatic young messiah quits college and returns to his old high school to lead the kids in an anti racism demonstration The students are catalyzed and rise up to battle the suburban power structure The trouble

starts when this 60s legend is shown to be losing touch with reality Our narrator struggles to understand the messiah s descent postponing all planning for college as he and his friends take on the social Darwinist hierarchy of high school The more comic the events the deeper the menace grows as this dizzying senior year unfolds The clash of forces comes during a seminal era when the anti war movement feminism counterculture and black power combined to singe the letter sweaters and pom pons of classic high school culture As so often happens when history is being made youth becomes the conscience of society says our narrator in his belated college application But there were fissures in our ranks we all hailed from different social categories

*How to Run a Football Club* Jim Kegohan, 2020-08-03 *How to Run a Football Club* is the story of our national game Told through a journey up the pyramid from the muddy pitches and ramshackle changing rooms at grass roots level to the glitz and glamour of the Premier League the book explores that common theme that links the game at all levels the simple love of the sport It s there in the volunteer coaches who give up their Saturday mornings to teach kids how to play the non league club secretaries trying their best to get the pitch in good shape and the owners and investors risking their wealth in the unpredictable world of English football *How to Run a Football Club* delves into their stories to find out what motivates the people who keep the game alive It explores how the sport is evolving with the growth of women s football walking football and esports What does it take to run a good football club How is money or a lack of it changing the game Read this book to find out
