The Killer Elite:

The killer elite Robert Rostand,1976 *The Killer Elite* Stirling Silliphant,1975 *The Killer Elite* Robert Rostand,Robert S. Hopkins,1973 *Peckinpah* Garner Simmons,1998 Sam Peckinpah is best known for directing the western *The Wild Bunch* It epitomises his style that marked such other Peckinpah films as *Ride the High Country* *Major Dundee* *Straw Dogs* and *Junior Bonner* In their view of conflict they all reflect the character of Peckinpah himself as it is revealed in this book **Jason Statham** Len Brown,2011-02-17 Hollywood s favourite action hero After an exhilarating ten years Jason Statham has finally confirmed his place in the Hollywood elite And starring alongside his childhood heroes Stallone Schwarzenegger Willis and Jet Li it is hard to imagine him anywhere else Born in south London Jason Statham has always been an action man As a boy Jason chose not to follow in the footsteps of his parents and instead cultivated his thirst for adrenaline in athletics and diving a skill that took him to the World Championships in 1992 But it was on the athletics track that he was first discovered by a modelling scout for Tommy Hilfiger and *French Connection* which eventually led Jason to the then fledgling director Guy Ritchie A string of Hollywood blockbusters *Lock Stock Revolver* *Snatch* followed But perhaps his best known role came in 2002 when Jason was cast as Frank Martin in *The Transporter* Statham s background in martial arts defies the norm of the action hero as he performs his own scenes and stunts in some of Hollywood s most death defying action scenes A huge box office hit *The Transporter* spawned two sequels and has earned the reputation of a cult classic Len Brown s biography is an insightful comprehensive and gripping account of Britain s all action hero The Monzelli Tales John Gloske,2021-07-22 Steve Monzelli came of age in the 1970s an era now considered the Silver Age of Hollywood He loved movies and was the consummate film buff He collected movie stills comic books 16mm films and posters including an original one for *Casablanca* worth thousands of dollars He dressed like the characters he admired in his favorite films and hung around film sets with the hope of becoming an actor He also had a great love for good vodka and prostitutes which caused more than just a few problems Monzelli met and became friends with many of the cinema icons of the era including Steve McQueen Richard Burton Sam Peckinpah Bette Davis and many others and he appeared as an extra in a handful of big budget Hollywood films more often than not because he would sneak onto the sets These tales offer many hilarious and a few sad stories of a life built around one fan s obsessive love of movies John Gloske is a former film critic for *The Hollywood Times* His previous book was the well received *Tough Kid The Life and Films of Frankie Darro* He is a long time small business owner in Los Angeles California Hollywood in San Francisco Joshua Gleich,2018-11-14 One of the country s most picturesque cities and conveniently located just a few hours drive from Hollywood San Francisco became the most frequently and extensively filmed American city beyond the production hubs of Los Angeles and New York in the three decades after World War II During those years the cinematic image of the city morphed from the dreamy beauty of *Vertigo* to the nightmarish wasteland of *Dirty Harry* although San Francisco itself experienced no such decline This intriguing

disconnect gives impetus to Hollywood in San Francisco the most comprehensive study to date of Hollywood's move from studio to location production in the postwar era In this thirty year history of feature filmmaking in San Francisco Joshua Gleich tracks a sea change in Hollywood production practices as location shooting overtook studio based filming as the dominant production method by the early 1970s He shows how this transformation intersected with a precipitous decline in public perceptions of the American city to which filmmakers responded by developing a stark realist aesthetic that suited America's growing urban pessimism and superseded a fidelity to local realities Analyzing major films set in San Francisco ranging from *Dark Passage* and *Vertigo* to *The Conversation* *The Towering Inferno* and *Bullitt* as well as the TV show *The Streets of San Francisco* Gleich demonstrates that the city is a physical environment used to stage urban fantasies that reveal far more about Hollywood filmmaking and American culture than they do about San Francisco [Heroes of the New Hollywood](#) Dan Lalande, 2024-11-19 In instant classics spanning the 1970s audiences watched Dustin Hoffman Gene Hackman Jack Nicholson Al Pacino Robert Duvall and Robert De Niro come of artistic age Together this dynamic group advanced the craft of screen acting and redefined what it meant to be a man in the age of post 60s disillusionment burgeoning feminism and the narcissistic machoism of disco culture The book featuring 35 photographs is a critical and historical look at the films performances and career arcs of six of the biggest male stars of the 1970s Studying them in the context of the times it also touches on several of their contemporaries including Marlon Brando Laurence Olivier George C Scott Charlton Heston Paul Newman Steve McQueen Robert Redford Warren Beatty James Caan Donald Sutherland Charles Bronson Clint Eastwood Burt Reynolds Richard Dreyfuss and Bruce Lee **New Hollywood** Renate Hehr, 2003-06-11 The surprising successes of *Bonnie and Clyde* *The Graduate* and *Easy Rider* in the late 60s marked a turning point in the history of American cinema A period of artistic renewal began of a kind that had never been possible before in America [Why We Lost](#) Daniel P. Bolger, 2014 A high ranking general's gripping insider account of the U S wars in Iraq and Afghanistan and how it all went wrong Over a thirty five year career Daniel Bolger rose through the army infantry to become a three star general commanding in both theaters of the U S campaigns in Iraq and Afghanistan He participated in meetings with top level military and civilian players where strategy was made and managed At the same time he regularly carried a rifle alongside rank and file soldiers in combat actions unusual for a general Now as a witness to all levels of military command Bolger offers a unique assessment of these wars from 9 11 to the final withdrawal from the region Writing with hard won experience and unflinching honesty Bolger makes the firm case that in Iraq and in Afghanistan we lost but we didn't have to Intelligence was garbled Key decision makers were blinded by spreadsheets or theories And at the root of our failure we never really understood our enemy *Why We Lost* is a timely forceful and compulsively readable account of these wars from a fresh and authoritative perspective
