90 million girls who do not go to school to HIV AIDS spreading fastest among adolescent girls women face unique health challenges writes Anne Firth Murray In this searing cradle to grave review Murray tackles health issues from prenatal care to challenges faced by aging women Looking at how gender inequality affects basic nutrition Murray makes clear the issues are political more than they are medical In an inspiring look From Outrage to Courage shows how women are organizing the world over Women s courage to transform their situations and communities provides inspiration and models for change From China to India from Indonesia to Kenya Anne Firth Murray takes readers on a whirlwind tour of devastation and resistance from amazon com desc *Women, Autobiography, Theory* Sidonie Smith,Julia Watson,1998 The first comprehensive guide to the burgeoning field of women s autobiography Essays from 39 prominent critics and writers explore narratives across the centuries and from around the globe A list of more than 200 women s autobiographies and a comprehensive bibliography provide invaluable information for scholars teachers and readers **Space, Place, and Violence** James A.

Tyner,2012-05-02 Direct interpersonal violence is a pervasive yet often mundane feature of our day to day lives paradoxically violence is both ordinary and extraordinary Violence in other words is often hidden in plain sight *Space Place and Violence* seeks to uncover that which is too apparent to critically question both violent geographies and the geographies of violence With a focus on direct violence this book situates violent acts within the context of broader political and structural conditions Violence it is argued is both a social and spatial practice Adopting a geographic perspective *Space Place and Violence* provides a critical reading of how violence takes place and also produces place Specifically four spatial vignettes home school streets and community are introduced designed so that students may think critically how race sex gender and class inform violent geographies and geographies of violence *Movement Media* Rachel Kuo,Assistant Professor of Gender and Women's Studies and Asian American Studies Rachel Kuo,2025-10-09 In *Movement Media* Rachel Kuo assesses the possibilities and limitations of crafting solidarities through media making processes and communication practices Drawing on interviews archival research and ethnographic fieldwork Kuo revisits key social movements to assess the mundane and less visible forms of movement building that help various groups navigate the politics of difference in theory and in practice Kuo situates these movements alongside shifts in technological developments and the communication landscape making the case that building and sustaining solidarity requires time and work to develop shared political analysis and practices **The Oxford Encyclopedia of Women in World History** Bonnie G. Smith,2008 The *Encyclopedia of Women in World History* captures the experiences of women throughout world history in a comprehensive 4 volume work Although there has been extensive research on women in history by region no text or reference work has comprehensively covered the role women have played throughout world history The past thirty years have seen an explosion of research and effort to present the experiences and contributions of women not only in the Western world but across the globe Historians have investigated womens daily lives in virtually every region and have researched the leadership roles women have filled across time and

region They have found and demonstrated that there is virtually no historical social or demographic change in which women have not been involved and by which their lives have not been affected The Oxford Encyclopedia of Women in World History benefits greatly from these efforts and experiences and illuminates how women worldwide have influenced and been influenced by these historical social and demographic changes The Encyclopedia contains over 1 250 signed articles arranged in an A Z format for ease of use The entries cover six main areas biographies geography and history comparative culture and society including adoption abortion performing arts organizations and movements such as the Egyptian Uprising and the Paris Commune womens and gender studies and topics in world history that include slave trade globalization and disease With its rich and insightful entries by leading scholars and experts this reference work is sure to be a valued go to resource for scholars college and high school students and general readers alike Phoebe ,1989 *Understanding the Global Environment* Samir Dasgupta,2009 Globalization is often discussed in terms of its ecological ramifications Yet while ecological imbalance is today one of the greatest threats to mankind globalization is also a reality that is here to stay The volume therefore seeks to address how globalizing and environmental interests can be reconciled The essays in this volume state that globalization can work both in favour of and against the environment The major issues discussed in this topical volume are how globalization can be used to promote environmental reforms the role of individuals private organizations and governments in keeping environmental degradation in check and in promoting environmental reform globalization and ecological inequality women the environment and globalization changing nature of environmental movements overpopulation and the ecology the relation between the ecology and the economy and the effects of global climate changes Gendered Wars, Gendered Memories Ayşe Gül Altınay,Andrea Pető,2016-04-06 The Introduction of this book is freely available as a downloadable Open Access PDF under a Creative Commons Attribution Non Commercial No Derivatives 4 0 license available at <http://www.taylorfrancis.com/books/e/9781315584225> The twentieth century has been a century of wars genocides and violent political conflict a century of militarization and massive destruction It has simultaneously been a century of feminist creativity and struggle worldwide witnessing fundamental changes in the conceptions and everyday practices of gender and sexuality What are some of the connections between these two seemingly disparate characteristics of the past century And how do collective memories figure into these connections Exploring the ways in which wars and their memories are gendered this book contributes to the feminist search for new words and new methods in understanding the intricacies of war and memory From the Italian and Spanish Civil Wars to military regimes in Turkey and Greece from the Armenian genocide and the Holocaust to the wars in Abkhazia East Asia Iraq Afghanistan former Yugoslavia Israel and Palestine the chapters in this book address a rare selection of contexts and geographies from a wide range of disciplinary perspectives In recent years feminist scholarship has fundamentally changed the ways in which pasts particularly violent pasts have been conceptualized and narrated Discussing the participation of women in war sexual violence in times of conflict the use of visual and dramatic

representations in memory research and the creative challenges to research and writing posed by feminist scholarship
Gendered Wars Gendered Memories will appeal to scholars working at the intersection of military war memory and gender
studies seeking to chart this emerging territory with feminist curiosity
