Publishers Weekly starred review Six Days in Sicily Philip W. Lupton,2019-01-21 The author and his wife reluctantly accept their young Viennese friend s invitation to join him on a week s holiday in Sicily There they decline his offer to chauffeur them round the island preferring to spend the time quietly in a way more befitting their age During their sojourn in Sicily the author reminisces recalling many events of his his friend s and other people s lives some of them amusing others sad and even strange if not inexplicable In Fidelity Rob Drummond,2016-10-14 I told her that it wouldn t be appropriate for us to meet in person She asked me why not I told her the truth Because I was extremely attracted to her and didn t want to court the destruction of my marriage She said your wife never needs to know It will just be a little adventure Nothing even needs to happen September 2016 marks the fifteen year anniversary of Rob and Lucy s very first date What better way to mark this milestone than to create a show all about love As part of his research Rob underwent an MRI scan His ventromedial prefrontal cortex surged when looking at a picture of his wife However it also surged while looking at other pictures In equal parts TED Talk and theatrical experiment this is the show that combines a live on stage date and evolutionary theory Whether you re single or attached this is a big hearted play for those looking to find love and those wanting to celebrate it In Fidelity received its world premiere at the HighTide Festival 2016 *Austria* Michelin Travel

The official history was aligned with a firm interpretational paradigm that called for a glorification of the anti fascist people s liberation resistance With the breakup of Yugoslavia and its socialist regime in 1991 the identity establishing accounts of contemporary witnesses which had mainly been cherished in exile circles abroad increasingly reached public awareness in Croatia and Slovenia In the 1990s Croatia witnessed the emergence of a memory that had been suppressed by the socialist Yugoslav regime namely the Bleiburg tragedy The situation in Slovenia was similar in terms of identity and remembrance culture Among the Slovenes the communist crimes committed during the turmoil are known as the drama of Viktring or the Viktring tragedy named after the largest refugee camp of the Slovenes Reports on the communist postwar crimes and on the countless discoveries of mass gravesites have also begun circulating in the media of the German speaking world in the last few years Florian Rulitz s meticulously researched book now available for the first time in English provides a corrective to the historical memory that had been previously accepted as truth Rulitz focuses on two essential questions First did the so called final encirclement battles indeed occur in Carinthia in the Ferlach Hollenburg Viktring and Dravograd Poljana Bleiburg areas resulting in military victories for the Yugoslav Army Second were the battles after the capitulation fought by the refugees with the aim of reaching the British controlled areas in Carinthia To answer these questions Rulitz presents a detailed reconstruction of those days in May 1945 He furthermore considers the question of the murders on Austrian territory which were hushed up in Partisan literature and presented as casualties of the final military operations This groundbreaking study will interest scholars and students of modern European history [The Rough Guide to Austria](#) Jonathan Bousfield, Rob Humphreys, 2001 Venture across every inch of this prosperous and stable central European country from the cosmopolitan capital of Vienna packed with cultural offerings and late night musikcafes to the awesome Alpine backwaters of the Tyrol or winemaking villages Learn how to stretch your budget in what can be an expensive country to visit 40 maps color photos
