The Knees Knock Again:

The Lost House Melissa Larsen, 2025-01-14 In Melissa Larsen's *The Lost House* comes the mesmerizing story of a young woman with a haunting past who returns to her ancestral home in Iceland to investigate a gruesome murder in her family. Forty years ago a young woman and her infant daughter were found buried in the cold Icelandic snow lying together as peacefully as though sleeping. Except the mother's throat had been slashed and the infant drowned. The case was never solved. There were no arrests, no conviction. Just a suspicion turned into a certainty: the husband did it. When he took his son and fled halfway across the world to California, it was proof enough of his guilt. Now nearly half a century later and a year after his death, his granddaughter Agnes is ready to clear her grandfather's name once and for all. Still recovering from his death and a devastating injury, Agnes wants nothing more than an excuse to escape the shambles of her once stable life, which is why she so readily accepts true crime expert Nora Carver's invitation to be interviewed for her popular podcast. Agnes packs a bag and hops on a last minute flight to the remote town of Bifröst, Iceland, where Nora is staying, where Agnes's father grew up and where supposedly her grandfather slaughtered his wife and infant daughter. Is it merely coincidence that a local girl goes missing the very same weekend Agnes arrives? Suddenly Agnes and Nora's investigation is turned upside down and everyone in the small Icelandic town is once again a suspect. Seeking to unearth old and new truths alike, Agnes finds herself drawn into a web of secrets that threaten the redemption she is hell bent on delivering and even her life. Discovering how far a person will go to protect their family, their safety, and their secrets. Set against an unforgiving Icelandic winter landscape, *The Lost House* is a chilling and razor sharp mystery packed with jaw dropping twists that will leave you breathless.

Stateway's Garden Jasmon Drain, 2020-01-21 NEW YORK TIMES BOOK REVIEW EDITORS CHOICE A blazingly original story collection about the interconnected lives of the residents of a public housing project on the South Side of Chicago. The residents and their buoyant dreams are documented, celebrated, honored. I bow to this writer in gratitude. Sandra Cisneros NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY CHICAGO TRIBUNE Before being torn down in 2007, the Stateway Gardens public housing projects on Chicago's South Side were ridden with deprivation and crime. But for some like Tracy, the shy intelligent young boy at the center of this enthralling collection of linked stories, they are simply home. Set in the mid 1980s and taking readers up to the point of the destruction of the infamous Cabrini Green housing projects, a set of buildings similar in design to Stateway Gardens to the south, this collection gives an intimate look at the hopes, dreams, failures, and fortunes of a group of people growing up with the deck always stacked against them. Through Jasmon Drain's sensitive and often playful prose, we see another side of what we have come to know as the projects. *Stateway's Garden* is a coming of age story told in short stories through the lens of a childhood made rough by the crush of poverty and violence, with the crack epidemic a looming specter ahead. And yet, through the experiences and ambitions of Tracy and other young characters, Drain reveals a vibrant community that creates its own ecosystem, all set in a series of massive

seemingly soulless concrete buildings Not shying away from the darkness of life for his characters Drain shows the full complexity of their human experiences Exquisitely detailed and novelistic in scope this collection of stories will linger in your mind long after you have turned the final page **Hot Chocolat** Judy Powell,2013-05-13 Hot and sweet a delicious
