The Language Of Difference:

The Language Difference Paulin G. Djité, 2011 This book asks whether language makes a difference when it comes to development and whether there is a perceptible difference in development between countries that is attributable to their choice of language It answers these questions by comparing the role of language in Africa and in Southeast Asia Cambodia the Lao PDR Myanmar and Viet Nam

At Translation's Edge Nataša Durovicova, Patrice Petro, Lorena Terando, 2019-06-14 Since the 1970s the field of Translation Studies has entered into dialogue with an array of other disciplines sustaining a close but contentious relationship with literary translation At Translation s Edge expands this interdisciplinary dialogue by taking up questions of translation across sub fields and within disciplines including film and media studies comparative literature history and education among others For the contributors to this volume translation is understood in its most expansive transdisciplinary sense translation as exchange migration and mobility including cross cultural communication and media circulation Whether exploring the Universal Declaration of Human Rights or silent film intertitles this volume brings together the work of scholars aiming to address the edges of Translation Studies while engaging with major and minor languages colonial and post colonial studies feminism and disability studies and theories of globalization and empire

Diversity and Difference in Childhood: Issues for Theory and Practice Kerry Robinson, Criss Jones-Diaz, 2017-01-16 Educators and community based professionals are often required to work with children and families from a range of diverse backgrounds The second edition of this popular book goes beyond simplistic definitions of diversity encouraging a much broader understanding and helping childhood educators and community based professionals develop a critical disposition towards assumptions about children and childhood in relation to diversity difference and social justice As well as drawing on research the book gives an overview of relevant contemporary social theories including poststructuralism cultural studies critical theory postcolonialism critical race theory feminist perspectives and queer theory It interrogates practice and explores opportunities and strategies for creating a more equitable environment whilst covering key issues impacting on children s lives including globalization neoliberalism new racisms immigration Indigeneity refugees homophobia heterosexism and constructions of childhood Each chapter provides an overview of the area of discussion a focus on the implications for practice and recommended readings Providing insight into how social justice practices in childhood education and community based service delivery can make a real difference in the lives of children their families and communities this is key reading for early childhood and primary educators community based professionals university students and researchers This thoughtful topical book addresses a considerable range of diversity issues relevant to teacher educators their students and other professionals who work with children and their families within and beyond Australia This timely second edition draws on the authors longstanding teacher education experiences and their most recent research to revisit the challenges of diversity and difference in children s lives Dr Valerie N Podmore former associate professor Faculty

of Education and Social Work the University of Auckland New Zealand The second edition of Robinson and Jones D az s Diversity and Difference in Childhood is a thoroughly welcome addition to my list of key texts for students of early childhood and childhood studies It provides a means from the outset for educating undergraduate students from within critical postmodern and post structural perspectives thus orienting their views of and actions within their future professions towards critical and equitable practices that value difference rather than treat is as a problem to be solved Alexandra C Gunn Associate Dean Teacher Education University of Otago College of Education New Zealand This is the 21st century early childhood education text Diversity and Difference in Childhood provides early childhood educators and scholars a powerful space for asking social justice questions in a profoundly innovative way Veronica Pacini Ketchabaw Ph D Professor School of Child and Youth Care University of Victoria Canada This new edition of Diversity and Difference is both important and timely Readers will find the new theoretical resources and additional chapters that have been included give the book a sense of enhanced rigour and its depth and breadth of coverage make it an ideal resource for a wide variety of interests and perspectives Christine Woodrow Associate Professor and Senior Researcher the Centre for Educational Research Western Sydney University Australia Language and Conflict Sue Wright,1998 The idea of conflict brings us inexorably to nationalism then to identity and thus to language These three essays on language and conflict are a result of a growing awareness that researchers in discourse analysis and sociolinguistics and in the peace and conflict resolution field have much to say to each other *Language Disorders from Infancy Through Adolescence - E-Book* Rhea Paul,Courtenay Norbury,Carolyn Gosse,2017-11-15 Selected for Doody s Core Titles 2024 with Essential Purchase designation in Communication Sciences Disorders Spanning the entire childhood developmental period Language Disorders from Infancy Through Adolescence 5th Edition is the go to text for learning how to properly assess childhood language disorders and provide appropriate treatment The most comprehensive title available on childhood language disorders it uses a descriptive developmental approach to present basic concepts and vocabulary an overview of key issues and controversies the scope of communicative difficulties that make up child language disorders and information on how language pathologists approach the assessment and intervention processes This new edition also features significant updates in research trends social skills assessment and instruction best practices Clinical application focus featuring case studies clinical vignettes and suggested projects helps you apply concepts to professional practice UNIQUE Practice exercises with sample transcripts allow you to apply different methods of analysis UNIQUE Helpful study guides at the end of each chapter help you review and apply what you have learned Highly regarded lead author who is an expert in language disorders in children provides authoritative guidance on the diagnosis and management of pediatric language disorders More than 230 tables and boxes summarize important information such as dialogue examples sample assessment plans assessment and intervention principles activities and sample transcripts Student Professional Resources on Evolve include an image bank video clips and references linked to
