The Last Days Of The Club:

The Last Days of the Club Chris Welles,1975 **The Last Days of Glory** Tony Rennell,2025-09-23 Queen Victoria's death in January 1901 shook Britain to its core and reverberated not just throughout the Commonwealth but around the world She was a woman in her eighties and yet it seems no one could contemplate the end of a reign that had lasted so long Most could not remember a time when she was not Queen and the very stability of everyday life seemed to depend on her regency The anxiety of the government and the royal family about the prospect of the Queen's death was such that the news of her illness was deliberately concealed from the public for more than a week When it came people from England to Jamaica wept in the streets and this grief was surpassed only by fear for the future God help us was the standard reaction from all strata of society *The Last Days of Glory* is the definitive account of those last 23 days in January 1901 when Victoria traveled to Osborne House to die The momentous reaction to the Queen's passing attached to it more significance and a greater sense of change than the turn of the century had carried just a year earlier Through the prism of those last days Tony Rennell presents us with a series of resonant and absorbing snapshots of a fading Empire at the end of the Victorian Age and captures a nation coping with change balancing comfortable nostalgia with the arrival of a new order *The Last Days of*

Shea Dana Brand,2009-09-16 Written in a personal moving and humorous style *The Last Days of Shea* chronicles the New York Mets from October 2006 when the team lost the National League Championship Series to October 2008 when the team began to dismantle its antiquated inadequate and dearly loved Shea Stadium The book is about following a baseball team with one's heart mind and soul It represents the experience of being in a crowd at a ballpark following a pennant race enduring an off season experiencing streaks slumps triumph and heartbreak All of this is represented against the imminent destruction of a stadium that is not likely to be replaced as well in the perfect and profitable little park that will replace it
