The Last Jews On Iberian Soil Navarrese Jewry 1479 1498:

The Last Jews on Iberian Soil, 1989 *The Persecution of the Jews and Muslims of Portugal* François Soyer, 2007-10-15 This book challenges prevalent assumptions concerning the persecution of the Jews and Muslims of Portugal in 1496 7 It pieces together the developments that led to the events of 1496 7 and presents a detailed reconstruction of the persecution itself No Return Rowan Dorin, 2025-01-28 A groundbreaking new history of the shared legacy of expulsion among Jews and Christian moneylenders in late medieval Europe Winner of the Wallace K Ferguson Prize Canadian Historical Association Beginning in the twelfth century Jewish moneylenders increasingly found themselves in the crosshairs of European authorities who denounced the evils of usury as they expelled Jews from their lands Yet Jews were not alone in supplying coin and credit to needy borrowers Across much of Western Europe foreign Christians likewise engaged in professional moneylending and they too faced repeated threats of expulsion from the communities in which they settled No Return examines how mass expulsion became a pervasive feature of European law and politics with tragic consequences that have reverberated down to the present Drawing on unpublished archival evidence ranging from fiscal ledgers and legal opinions to sermons and student notebooks Rowan Dorin traces how an association between usury and expulsion entrenched itself in Latin Christendom from the twelfth century onward Showing how ideas and practices of expulsion were imitated and repurposed in different contexts he offers a provocative reconsideration of the dynamics of persecution in late medieval society Uncovering the protean and contagious nature of expulsion No Return is a panoramic work of history that offers new perspectives on Jewish Christian relations the circulation of norms and ideas in the age before print and the intersection of law religion and economic life in premodern Europe **Early Modern Jewish Civilization** David Graizbord, 2024-09-18 This collection is an introductory historical survey and selective cultural analysis of the development coalescence and eventual waning of a diasporic civilization that of the Jews of the early modern period ca 1391 1789 in Europe the Ottoman Empire and key nodes of the Iberian Empires in the Americas Each chapter explores key factors that shaped both distinctive early modern Jewish communities and a remarkably coalescent and far broader community of communities The contributors engage and answer the following questions What do historians mean by early modernity and to what extent does the concept illuminate the history and culture s of Jews from the end of the Middle Ages to the Enlightenment What were the general demographic contours of the Jewish diaspora over this period and how did they change How did culture politics technology economics and gender shape diasporic Jewish communities across eastern and western Europe and the New World over the course of some 400 years Ultimately the work renders a portrait of coherence and diversity continuity and discontinuity in early modern Jewish life within and across temporal and geographic boundaries Early Modern Jewish Civilization is essential reading for all students of Jewish history and civilization and early modern history more broadly A People that Shall Dwell Alone Kevin MacDonald, 2002 This book attempts to understand an ancient people in terms of modern evolutionary biology A

basic idea is that Judaism is a group evolutionary strategy what one might term an evolutionarily significant way for a group of people to get on in the world The book documents several theoretically interesting aspects of group evolutionary strategies using Judaism as a case study These topics include the theory of group evolutionary strategies the genetic cohesion of Judaism how Jews managed to erect and enforce barriers to gene flow between themselves and other peoples resource competition between Jews and non Jews how Jews managed to have a high level of charity within their communities and at the same time prevented free riding how some groups of Jews came to have such high IQ s and how Judaism developed in antiquity This book was originally published in 1994 by Praeger Publishers The Writers Club edition contains a new preface Diaspora Peoples describing several interesting group evolutionary strategies The Gypsies the Hutterites and Amish the Calvinists and Puritans and the Overseas Chinese

Jewish Life in Medieval Spain Jonathan Ray, 2023-03-28 Jewish Life in Medieval Spain is a detailed exploration of the Jewish experience in medieval Spain from the dawn of Sephardic society in the ninth century to the expulsion of 1492 An important contribution of the book is the integration of the rise and fall of Jewish life in Muslim al Andalus into the history of the Jews in medieval Christian Spain It traces the collapse of Jewish life in Muslim Spain the emigration of Andalusi Jewry to the lands of Christian Iberia and the long and difficult confluence of these two distinct Jewish subcultures Focusing on internal developments of Jewish society it offers a narrative of Jewish history from the inside out bringing to light the various divisions and rivalries within the Jewish community This approach in turn allows for a deeper understanding of the complex relations between Spanish Jews and their Muslim and Christian neighbors Jonathan Ray s original perspective on the Jewish experience is particularly instructive when considering the widescale anti Jewish riots of 1391 The combination of violence and mass conversion of the Jews irrevocably shifted the dynamics of inter religious relations as well as those within the Jewish community itself Yet even in the wake of these tragic events the Jews of Spain continued to flourish fostering a culture that they would carry into exile and that would preserve the memory of Jewish Spain for centuries to come

Early Modern Ethnic and Religious Communities in Exile Yosef Kaplan, 2017-11-06 In the Early Modern period the religious refugee became a constant presence in the European landscape a presence which was felt in the wake of processes of globalization on other continents as well During the religious wars which raged in Europe at the time of the Reformation and as a result of the persecution of religious minorities hundreds of thousands of men and women were forced to go into exile and to restore their lives in new settings In this collection of articles an international group of historians focus on several of the significant groups of minorities who were driven into exile from the sixteenth to the eighteenth centuries The contributions here discuss a broad range of topics including the ways in which these communities of belief retained their identity in foreign climes the religious meaning they accorded to the experience of exile and the connection between ethnic attachment and religious belief among others

Dissident Rabbi Yaacob Dweck, 2019-08-06 In 1665 as Jews abandoned reason for the ecstasy of enthusiasm for self proclaimed Messiah Sabbetai Zevi Jacob Sasportas

watched in horror Dweck tells the story of the Sephardic rabbi who challenged Sabbetai Zevi's improbable claims and warned his fellow Jews that their Messiah was not the answer to their prayers *Jews and Christians in Medieval Castile* Maya Soifer Irish, 2016-07-15 5 Tamquam domino proprio The Bishop and His Jews in Medieval Palencia Part 3 Jews and Christians in Northern Castile ca 1250 ca 1370 6 The Jews of Castile at the End of the Reconquista Post 1250 Cultural and Communal Life 7 Jews Christians and Royal Power in Northern Castile 8 Insolent Wicked People The Cortes and Anti Jewish Discourse in Castile Bibliography Index **Popularizing Anti-Semitism in Early Modern Spain and its Empire** Francois Soyer, 2014-03-06 This book charts the history and influence of the most vitriolic and successful anti Semitic polemic ever to have been printed in the early modern Hispanic world and offers the first critical edition and translation of the text into English First printed in Madrid in 1674 the Centinela contra jud os Sentinel against the Jews was the work of the Franciscan Francisco de Torrejoncillo who wrote it to defend the mission of the Spanish Inquisition to call for the expansion of discriminatory racial statutes and finally to advocate in favour of the expulsion of all the descendants of converted Jews from Spain and its empire Francisco de Torrejoncillo combined the existing racial theological social and economic strands within Spanish anti Semitism to demonize the Jews and their converted descendants in Spain in a manner designed to provoke strong emotional responses from its readership
