The Last Mouthpiece The Man Who Dared To Defend The Mob

Robert F. Simone

The Last Mouthpiece The Man Who Dared To Defend The Mob:

Philadelphia's Black Mafia S.P. Griffin, 2005-12-08 Philadelphia's Black Mafia could be used as primary reading in deviance and organized crime courses. Academicians in the fields of criminology, sociology, history, political science, and African American Studies will find the book compelling and important. This book provides the first sociological analysis to date of Philadelphia's infamous Black Mafia, which has organized crime with varying degrees of success in predominantly African American sections of the city dating back to the late 1960s. Philadelphia's Black Mafia is a first step in developing both data and sophisticated theoretical propositions germane to the ongoing study of organized crime. Uses primary source documents including confidential law enforcement files, court transcripts, and interviews. Explores the group's activities in detail, depicting some of the most notorious crimes in Philadelphia's history. Thoroughly examines the organization of the Black Mafia and the group's alliances, conspiracies, and conflicts. Challenges many of the current historical and theoretical assumptions regarding organized crime. **The Last Mouthpiece** Robert F. Simone, 2001 **"I Heard You Paint Houses"**

Charles Brandt, 2008-04-15 *I Heard You Paint Houses* will soon be a major motion picture directed by Martin Scorsese. The working title for the movie is *The Irishman*. The first words Jimmy Hoffa ever spoke to Frank the Irishman Sheeran were "I heard you paint houses. To paint a house is to kill a man. The paint is the blood that splatters on the walls and floors." In the course of nearly five years of recorded interviews, Frank Sheeran confessed to Charles Brandt that he handled more than twenty-five hits for the mob, and for his friend Hoffa. Sheeran learned to kill in the U.S. Army, where he saw an astonishing 411 days of active combat duty in Italy during World War II. After returning home, he became a hustler and hit man working for legendary crime boss Russell Bufalino. Eventually, he would rise to a position of such prominence that in a RICO suit, then U.S. Attorney Rudy Giuliani would name him as one of only two non-Italians on a list of 26 top mob figures. When Bufalino ordered Sheeran to kill Hoffa, he did the deed knowing that if he had refused, he would have been killed himself. Sheeran's important and fascinating story includes new information on other famous murders, including those of Joey Gallo and JFK, and provides rare insight to a chapter in American history. Charles Brandt has written a page-turner that has become a true crime classic. **Informants, Cooperating Witnesses, and Undercover Investigations** Dennis G.

Fitzgerald, 2014-11-05 The use of informants has been described as the black hole of law enforcement. Failures in the training of police officers and federal agents in the recruitment and operation of informants has undermined costly long-term investigations, destroyed the careers of prosecutors and law enforcement officers, and caused death and serious injuries to innocent citizens and police. In many cases, the events leading to disaster could have been avoided had the law enforcement agency followed the time-tested procedures examined in this book. *Informants, Cooperating Witnesses, and Undercover Investigations: A Practical Guide to Law Policy and Procedure*, Second Edition, covers every aspect of the informant and cooperating witness dynamic, a technique often shrouded in secrecy and widely misunderstood. Quoted routinely in countless

newspaper and magazine articles the first edition of this book was the go to guide for practical effective guidance on this controversial yet powerful investigative tool Extensively updated topics in this second edition include Sweeping changes in the FBI and ICE informant and undercover programs New informant recruiting techniques Reverse sting operations Entrapment issues Examination of recent high profile cases where the misuse of informants resulted in lawsuits and legislation The changing nature of compensation and cooperation agreements Forfeiture informants and rewards The management of controlled undercover purchases of evidence Challenges posed by fabricated information phantom informants and police corruption Witness security measures New whistleblower reward programs Authoritative scholarly and based on boots on the ground experience this book is written by an author who has been a police supervisor an informant recruiter and handler an undercover agent and an attorney Supported by statutes case law and previously unpublished excerpts from law enforcement agency manuals it is essential reading for every police officer police manager prosecutor police academy trainer criminal justice professor and defense attorney This book is part of the Practical Aspects of Criminal and Forensic Investigations series

The Watermark Conspiracy Jim Coyne, 2016-09-14 The Watermark Conspiracy a Trilogy takes the reader on a personal journey of a prominent local politician who makes his mark on the national scene Jim Coyne attempts to prove a conspiracy of sorts with the IRS the FBI the White House the FAA a major newspaper national Republicans local Democrats local Republicans US attorneys federal judges and US senators Watermark test results by the FBI to determine the year of manufacture of paper are withheld from Coyne for twenty four years despite the fact that he filed numerous freedom of information requests over that period of time The response by the federal government was that they do not exist and they cannot be located when in fact they knew all along the name of the contracted testing company the individual who did their testing the president of the company and the address of the company Coyne takes us on this watermark quest in order to attempt to prove his innocence Coyne touches on other areas of his personal life his experience with the oldest Democratic political machine in the country escaping from death at the Dupont Plaza fire in San Juan Puerto Rico on December 31 1986 and who he thinks were responsible his experience in the Baden Baden Casino in Germany horse racing life in federal prisons and finally freedom
