The Ultimate Man John E. Muller, Lionel Fanthorpe, Patricia Fanthorpe, 2013-12-19 Ever since science began seriously investigating the potentials of electronics man has toyed with the idea of creating robots The dawn of the robot age has already broken We have automatic telephone exchanges We fly planes with robot pilots We send self sufficient instruments into the void to record and transmit cosmic information Frobisher was a brilliant theorist years ahead of his time He worked out a scheme that took long patient decades of planning His great moment came The robots were a success Frobisher was a kindly old man There was nothing evil in his plans But the world is not entirely inhabited by kindly old men with high visions Someone else got hold of the plans and the robots embarked on a career of international crime and pillage Despite his pacifist ideals the old professor tried to combat the evil which he had unwittingly released the results were staggering

The Brown Fedora Alan Purser, 2017 The Brown Fedora is essentially a love story set against the backdrop of the Second World War 1939 to 1945 The story begins with the impulsive and unplanned meeting between Rebecca and James Their initial encounter is played out in front of two rival teams at their annual cricket match The unfolding story reveals how James and his family were acrimoniously subjected to the unwelcome and unwanted attention of a ruthless German spy ring that operated covertly in the heart of England before and during the Second World War After the callous and brutal murder of James's mother at the hands of the cruel spy ring the devastating effects of her murder initiated a crippling stroke which totally incapacitated James's father The overwhelming consequences of this felonious act drove James to take up the mantle

of his father's work and to track down and eradicate the German spy ring. In doing so he crosses into the remorseless world of spying and espionage.
